FIGHT THE FUTURE

Everyone knows the days of keeping unbagged comic books lying around are long gone – bags and boards are a forgone conclusion in this modern world of collecting. But what about when a bag and board aren't enough? Do you want to lie awake all night worrying that your comic is developing irreversible stresses that will reduce its value a thousandfold? You need something a little tougher to keep that comic safe, and IronGuard Supplies has just the thing. In addition to a full range of bags and boards in all sizes, IronGuard now offers comic toploaders, rigid sleeves that will keep your comic protected from even the most unforgiving longbox. Sleep easy, my friend.
