Number Three: UDDER CHAOS

Five dead-sexy female assassins in Afghanistan managed to spirit away a large man by the name of Huqtar, right before he met his maker's Hellfire missile. Under threat of torture, he revealed to the girls that the man they are looking for is hiding in Las Vegas under the name of "Wahad." In the present, Stinger searches for his partner Angel Eyes, who is undergoing a very public interrogation on the Sword Hotel's closed circuit terror TV. When the assassins attack, Wahad calls in his secret weapon - an acrobatic troupe of Cirque du SEALs. Angel Eyes joins Wahad in a daring escape, while Stinger, Claudine, and the girls are left to receive a standing ovation from their most devoted fan: Huqtar! Now what's that darn goat up to?
