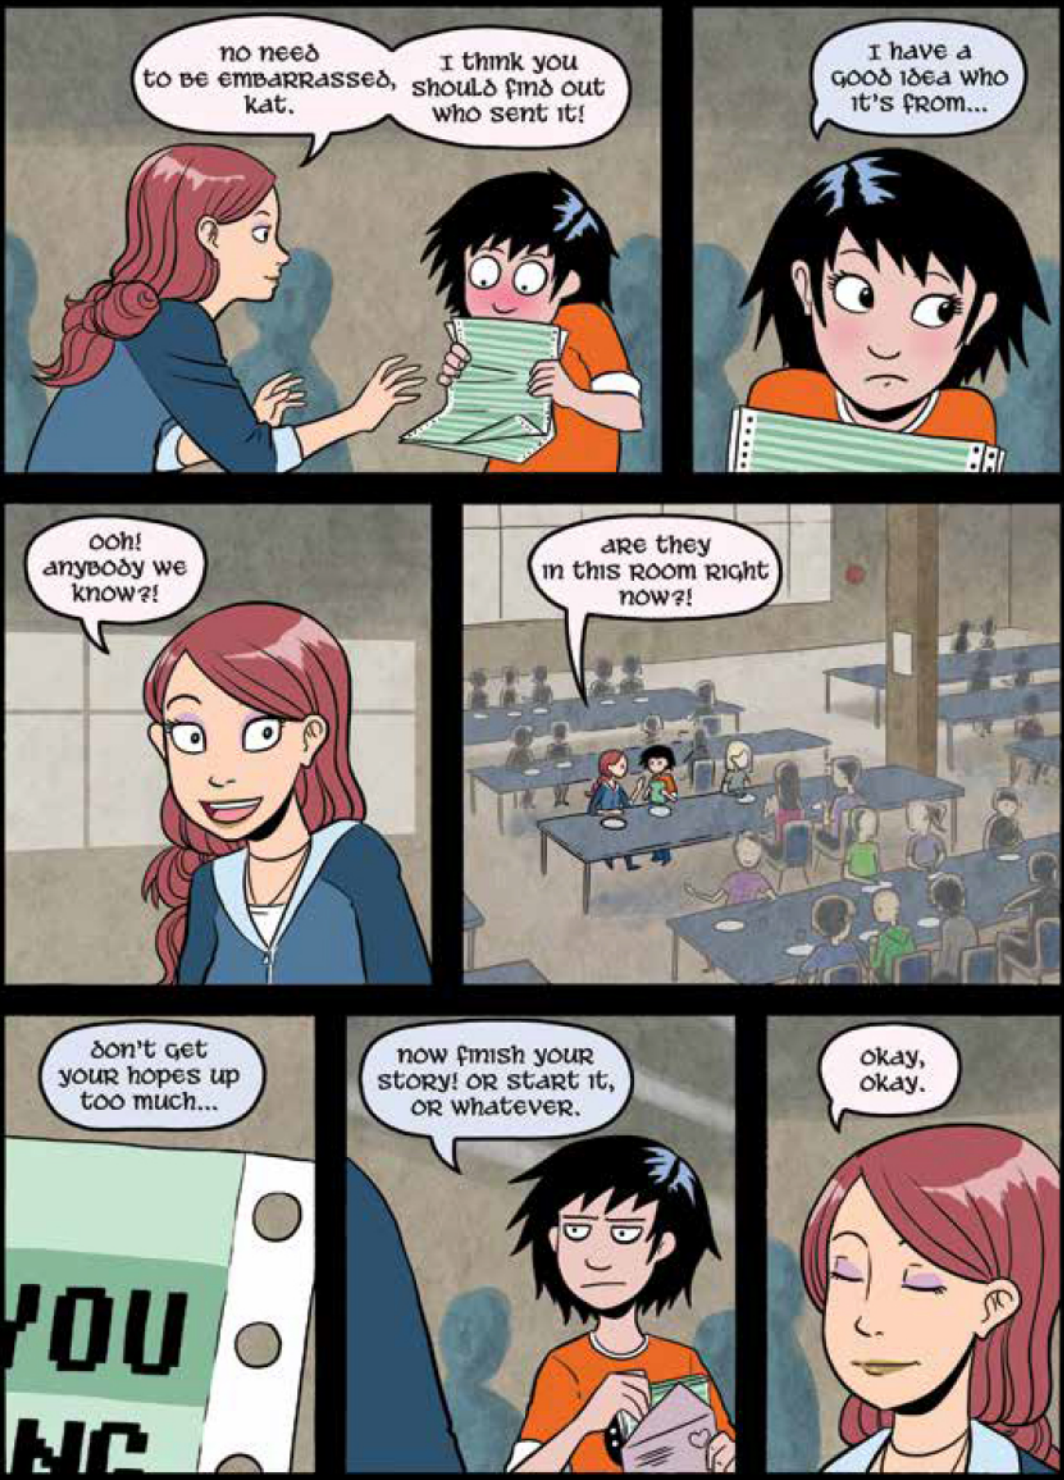
hahahaha!

why are you laughing?!
that didn't go exactly to plan!
has this ever happened before?!
never!
so I'll start off by showing you some of the tools you'll be using to help you perform your duties.
physical training will come later, but right now you shouldn't have your hands too full.

your primary role is support. even from a distance, you need to...
Oh! Lucky!
be ready if~
carver! what happened now?!
oh, nothing too serious!
but I suggest running!

and that's why I'm back so early!
woah, woah!
you can't just tell half a story! what were you guys running from?
oh, I'm much more interested in hearing about your little situation!
wha... oh...
did you figure out who the letter was from?!
well, I~
it's very eloquently written...
why do you have that?!



no need to be embarrassed, kat.
I think you should find out who sent it!
I have a good idea who it's from...
ooh! anybody we know?!
are they in this room right now?!
don't get your hopes up too much...
now finish your story! or start it, or whatever.
okay, okay.

When Eglamore heard I wanted to give Andrew an unofficial introduction to the forest, he insisted on tagging along.
You can't just sneak off whenever you want.
When in the court, you still have to follow their rules.
Besides, have you forgotten what happened with Ysengrin last time?
We're not intending to run in to him today. Or coyote.
And with Andrew around, luck should be in our favour!
Well, okay, but only a quick visit.
Okay. Back soon!

WOW, this is pretty crazy...
I've never been in a real forest before. I've spent my whole life at the court.
It's beautiful, isn't it?
will we see any animals?
well, I should warn you, I've been into the forest many times, but I've rarely seen creatures that didn't want to be seen.
oh, hello. you look friendly!
they are keenly aware of our presence, wary of any new intrusion into their terr-

a chickcharney!
a what?
Remember, Hardwick and Little's Bestiary, page 65? We went over it with Jones.
Why, yes... of course!
Hello, I am the new medium, come from Gunnerkrigg Court.
I don't know what that is!
But perhaps you might help me with something...
You see, long ago, a traveller presented me with a gift.
A shining sphere of unmelting ice!
Trapped inside were brilliant colours from the rarest flowers...
Alas, I have misplaced my treasure and~
Did it look like this?

yes! It looked just like that!
It's called a marble. I had one in my pocket
here, you can have it, since you misplaced yours.
oh! so kind!
so very kind!
thank you!
no problem!
I wondered what that marble was for. had it in my pocket for a week.
helping a chickcharney brings good luck, you know!
are you sure you need any more good luck?

hey, look!
this must belong to that little guy.
guess I'll just hold on to it.
Rustle
Snuffle
hello! it's me again!
