

OFF THE COAST OF NEW JERSEY.

HAWK SURE CHOSE A HECKUVA TIME TO ORDER A RECON OF BROCA BEACH...

...THIS IS MORE THAN A "SPOT OF ROUGH WEATHER," AND JUST SHORT OF A NOR' EASTER.

NEVER A GOOD TIME TO BE SCOUTING A COBRA INSTALLATION, SHIPWRECK—EVEN IF IT'S A LOCATION THEY ABANDONED YEARS AGO.

IS THAT CONTAINER SHIP STILL WEDGED IN THE BOARDWALK, CUTTER? THE ONE THAT DUKE, SCARLETT, AND STALKER WERE ON?*

*SEE G.I. JOE: ARAH #179.

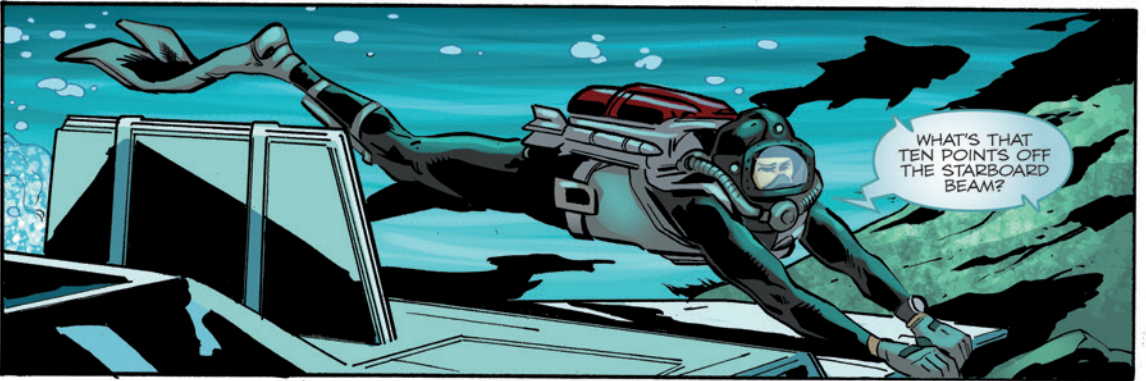

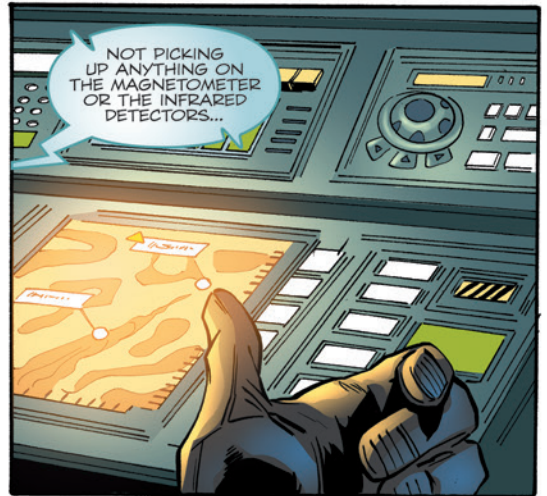

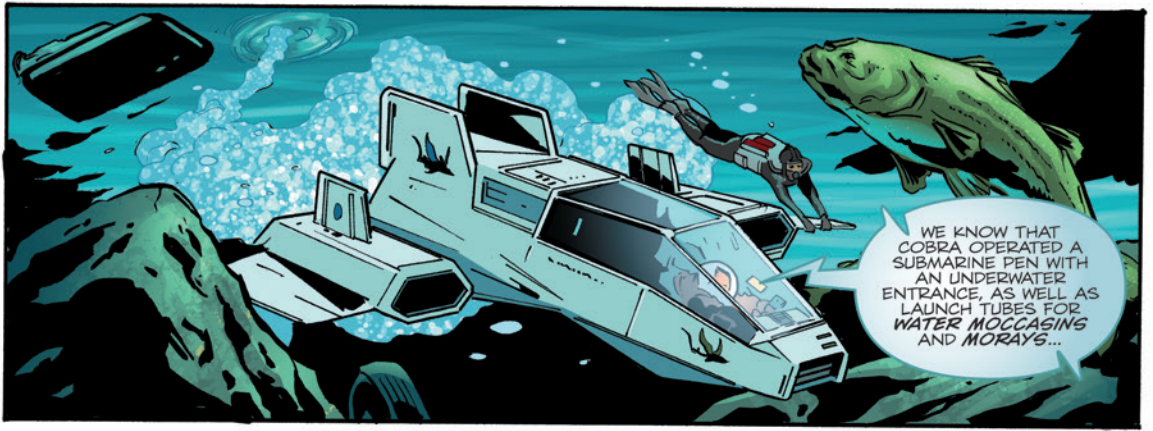

"IT'S SHIFTED SOME, TORPEDO, BUT IT'S STILL THERE. LOOKS LIKE THE REDEVELOPMENT DEALS AND PLANS FELL THROUGH, THOUGH..."

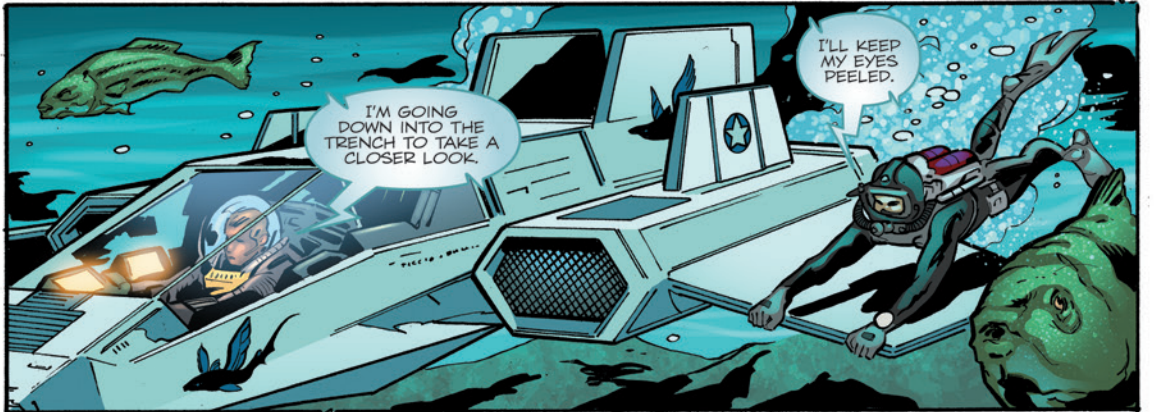

COBRA COULD VERY WELL BE REDEVELOPING UNDERGROUND AND UNDERWATER.

WE'LL FIND OUT SOON ENOUGH, DEEP SIX.

STAND BY TO LAUNCH THE SHARC.

THEY'RE SURE NOT ROLLING OUT THE ALOHA WAGON FOR US...

WE'VE GOT AN EEL INFESTATION PROBLEM DOWN HERE, CUTTER.

WE COULD USE SOME HELP BEFORE WE GET OVERRUN...

I'M GOING DOWN.

I SHOULD BE THE ONE TO GO!

MY DIVING QUALIFICATIONS ARE MORE RECENT!

SQUAWK!

IN OLLIESTAN.

SO, I GATHER WE'RE NOT TAKING THIS ELEVATOR RIDE TO THE SURFACE FOR FRESH AIR AND SUNSHINE?

IT'S UNFORTUNATE FOR YOU, *BOMBSTRIKE*— THAT IN THE COURSE OF YOUR SUPPOSEDLY ABANDONED COBRA INSTALLATION YOU STUMBLER UPON...

"...THINGS I WASN'T MEANT TO SEE." LET'S SKIP THE BOILERPLATE, *DR. BIGGLES JONES*.

YOU AND *DR. KNOX* ARE WORKING ON A SECRET ROBOTICS PROJECT—

THAT YOU NOW KNOW TOO MUCH ABOUT.

I KNOW WHY WE'RE GOING TOPSIDE. IT'S SO YOU DON'T HAVE TO DRAG A BODY THERE.

HOW ASTUTE...

...BUT YOU'RE NOT GOING TO DO ANYTHING RASH, ARE YOU? OF COURSE NOT. HUMAN NATURE IS ALL ABOUT PROLONGING LIFE, NO MATTER HOW HOPELESS.

JUST ONE MOMENT.

HAVE TO SEND THE ELEVATOR BACK DOWN. SO SCAVENGERS AND OTHER LOCALS CAN'T GET DOWN TO THE IMPORTANT LOWER LEVELS.
