

Look at this!

At all of you fools...

Go on, if you have the stomach for it. Look!

Cast your eyes upon all that stand here today and you will see nothing but broken vessels -- flawed and fractured beyond repair.

Yet...all of you were Chosen.

The Message will not rectify your flaws, or temper your hate -- nor will it erase your sins...or theirs. We are all too far gone. Lost in this fallen world.

But if you wake, and shake off your slumber... you will see: The age of absolution has ended. We have truly entered the End Times...

IT IS **TOMORROW** WE **BURY**  
HERE **TODAY.**
