NIGHTHAWK

The sole survivor of a world-destroying cataclysm, Raymond Kane finds himself in a world much like the one he came from, perhaps a bit worse. Patrolling the streets of Chicago as the vigilante Nighthawk, Kane battles crime, corruption and injustice in a city plagued with escalating racial tension.

Fearred by criminals, hated by the police, Nighthawk will save the city from itself, even if he must destroy everything in his path.

A serial killer known as the Revelator stalks Chicago, claiming victims that will only add fuel to the fire of racial unrest, making Nighthawk's job that much more difficult.
