Previously, on *the unbeatable Squirrel Girl*

And now, the conclusion...

# BOYFRIEND!

Gah! Mole  
Monsters!

Seize this  
meddler!

the unbeatable **Squirrel  
Girl**

Starring:

**The Eponymous  
Squirrel Girl**

**The Undermining  
Mole Man**

**The Brotastic  
Brad**

**The Unsinkable  
Koi Boi**

**FUN FACT:** "eponymous" (pronounced "ee-ponn-i-muss") means "as referred to in the title"! If you had a shirt with your name on it, it'd be your eponymous shirt. You'd also be living your best life, holy cow!!

**FUN FACT:** "undermining" (pronounced "un-der-mine-ing") is a super appropriate adjective here, since this dude lives underground and hates the surface world! Tale as old as time, right?

**FUN FACT:** "brotastic" (pronounced "bro-tas-tic") is a word I just made up that means "having all the properties of a bro to a *truly* Fantastic degree!"

**FUN FACT:** "unsinkable" (pronounced "un-sink-a-bull") (you, uh, probably already knew that) means "unable to be sunk"! You probably already knew *that* too. Okay, here's a better Fun Fact: koi can live for hundreds of years, and are sometimes passed down as family heirlooms! Wow!

Okay, let's see-- Mole Man, Mole Man...

**DEADPOOL'S GUIDE TO SUPER VILLAINS** CARD 101 OF 4522

**MOLE MAN**

- Dude started out as just a regular run-of-the-mill socially awkward dude named "Harvey Elder" who thought the Earth was hollow (HAH HAH HAH RIDICULOUS, WHAT A LOSER), but then ALL BY HIMSELF discovered and moved into a huge WORLD-SPANNING underground empire of caves and tunnels, which is, of course, a real thing and not ridiculous at all!!
- Also, that happened like a hundred years ago! This dude is old like moldy bread; nobody knows why
- Mole Man's got sucky vision after he got his eyesight damaged by...uh, it says here it happened by "looking directly at a highly reflective deposit of diamonds"? ATTENTION: SUPER-RICH PEOPLE: better give me all your diamonds just to be on the safe side!!
- Anyway he's super smart and he's got a "radar sense" that lets him see, not unlike Daredevil. Wow, real original, buddy! At least I tweaked MY costume and/or powers when I borrowed them from Spider-Man and/or Wolverine, respectively!!

**A SOCIALLY AWKWARD LONER WHO LIVES ALONE IN A HOLE? SIGN ME UP!**

Man, why are we even fighting? I don't see anything here that says you've got anything against squirrels or girls, so...

Oh, but I do, young lady! Against *you* in particular, you--you--you *weisenheimer*!

I've never met you before, dude!! I had to look up your details on a *trading card*!

The fact that you don't even bother to *familiarize* yourself with those you wrong only *multiplies* my grievances against you, hoyden!!

Wait, "hoyden"?

Bah! It's slang, referring to a saucy or boisterous woman!

... "saucy"?

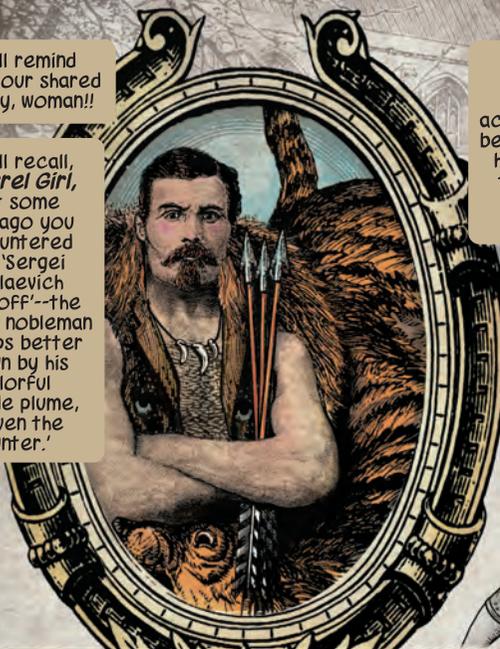

Also, I let "weisenheimer" slide earlier but I could use a gloss on that too, actually??

**Mole Man's deal...**

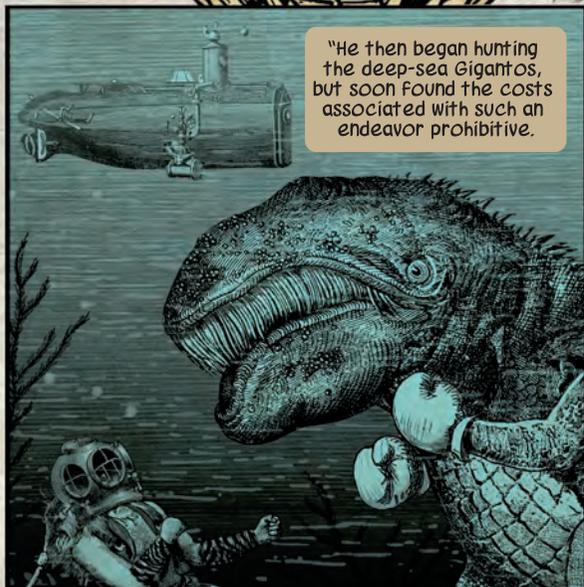

Mole Man's not gonna answer, so I will! A "weisenheimer" is someone who makes smug, arrogant, and/or clever jokes to show how smart they are. It's an insult dating back to the early 1900s...not unlike Mole Man himself?? Zing! Look at me, I'm a regular saucy weisenheimer down here!

"I will remind you of our shared history, woman!!

"You'll recall, *Squirrel Girl*, that some time ago you encountered one 'Sergei Nikolaevich Kravinoff'--the Russian nobleman perhaps better known by his colorful nom de plume, 'Kraven the Hunter.'

"By the end of that encounter, you'd convinced our mutual acquaintance that he'd be better served by directing his considerable hunting talents from spiders to the leviathans dwelling underwater.

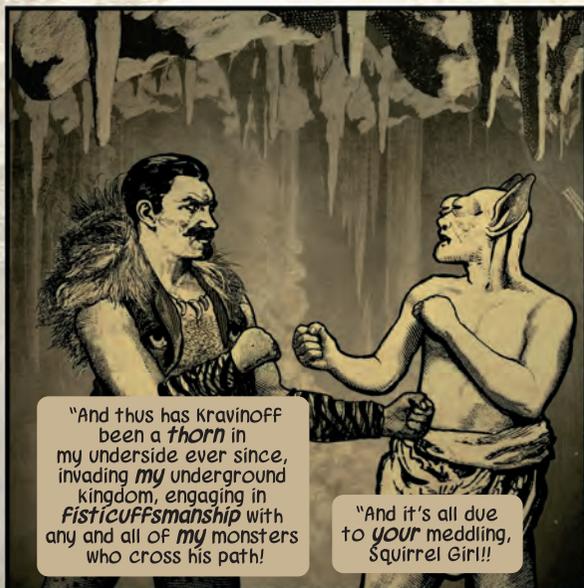

"He then began hunting the deep-sea Gigantos, but soon found the costs associated with such an endeavor prohibitive.

"Sergei sought to raise funds by hunting in the employ of others, but again, thanks to *your* influence, he did not meet with success.

"And as his employment ended, you induced him to begin hunting those who hunt others.

"And thus has Kravinoff been a *thorn* in my underside ever since, invading *my* underground kingdom, engaging in *Fisticuffsmanship* with any and all of *my* monsters who cross his path!

"And it's all due to *your* meddling, Squirrel Girl!!

"Mark my words: the surface world dumping its *refuse* in my domain is an affront I am well accustomed to.

"But Sergei is a bridge too far, and I can bear these indignities no longer. I've thus taken it upon myself to *end* all such insults...

"...by securing the *destruction* of the *surface world*!!"
