

Book IV, Part III
END OF GAMES

It is a time of rebuilding for the Empire. After the destruction of the Death Star, Darth Vader is atoning for his failure by destroying all who would oppose the Empire.

Vader has been able to redeem himself in the eyes of his master, Emperor Palpatine. As a result, the Emperor has tasked the Dark Lord with the capture of Cylo, a scientist turned traitor, and Vader's former rival. The only thing standing between Vader and Cylo now is Tulon Voidgazer and her cyberanimate rancor.

Meanwhile, the droids Triple-Zero and Beetee have captured Vader's secret ally, Dr. Aphra, and are bringing her to him immediately....
