THE ENTERPRISE IS UNDER ATTACK. MY POSITION, ENGINEERING, TO CONSULT WITH CHIEF ENGINEER SCOTT.

WELL, SCOTTY, CAN YOU HANDLE IT?

OH, AYE, SIR, WE'RE ON IT.

BUT I WISH WE COULD BREAK ORBIT AWAY FROM THIS PLANET.

ITS ELECTRO-MAGNETIC FIELDS ARE PLAYIN' HOB WITH MY SYSTEMS!

FLUCTUATIONS IN THE LATERAL INTERCOOLER DUCTS, MR. SCOTT!

WE'RE LOSING POWER!

OCH! I KNEW THAT WOULD BE NEXT!

GRANT, GET TO LEVEL THREE AND SEE THAT THE WARP MATRIX IS STILL STABLE.

IS THERE ANYTHING I CAN DO, SCOTTY?

AYE, THERE IS!

LIKE I SAID, CAP'N, IT WOULD DO A WORLD O' GOOD IF YOU COULD GET US AWAY FROM THIS PERISHIN' PLANET!

Y'CAN SEE F'R Y'SELF HOW ITS ENERGY FIELDS ARE INTERFERIN' WITH WHAT WE'RE DOIN'!

THAT PLANET IS THE REASON WE'RE HERE, MR. SCOTT.

WE...

CAP'N!  
ARE Y'ALL  
RIGHT?

FINE,  
SCOTTY,  
FINE.

I  
JUST NEED  
A...

WHAT  
THE DIVIL WAS  
THAT?

READINGS  
ARE ALL NORMAL  
ACROSS TH'  
BOARD!

FIGURE OUT  
WHAT IS WAS AND  
REPORT TO ME  
ON THE  
BRIDGE.

I HAVE  
TO GET BACK  
UP  
THERE!

WE'RE  
STILL UNDER  
ATTACK.

CAP'N,  
D'YE NOT THINK  
Y'SHOULD LET  
DR. MCCOY TAKE  
A LOOK AT  
YE?

WHATEVER  
THAT  
WAS...

YOU SEEMED  
T'TAKE THE  
BRUNT OF  
IT!

DON'T  
WORRY ABOUT  
ME!

DO WHAT  
YOU CAN TO  
GET THE ENGINES  
BACK TO FULL  
POWER...

...AND  
I'LL SEE WHAT  
CAN BE DONE  
ABOUT GETTING  
US OUT OF  
ORBIT.

BRIDGE!

Space, the Final Frontier. These are the voyages of the starship *Enterprise*.  
Its Five-year mission: to explore strange new worlds. To seek out new life, and new civilizations.  
To boldly go where no man has gone before.

## "TIME OUT OF JOINT"

THAT WILL BE ALL, ENSIGN. RUN THOSE FIGURES THROUGH THE ASTROPHYSICS COMPUTER.

CAPTAIN... YOUR TIMING IS EXCELLENT.

WE ARE SEVEN MINUTES FROM ORBITAL INSERTION AROUND PLANET DT-262.

SEVEN MINUTES? BUT WE WERE...

CAPTAIN'S LOG, DELAYED. A MOMENT BEFORE THE SHIP WAS UNDER ATTACK BY AN UNKNOWN ENEMY.

BUT, ALL IS CALM, AND WE ARE NOT YET EVEN IN ORBIT AROUND THE PLANET WHERE THE ATTACK BEGAN!

DEDICATED TO THE TALENTED PERFORMERS, CRAFTSMEN AND TECHNICIANS WHOSE WORK IS REPRESENTED HERE

IS THERE A PROBLEM, SIR?

PROBLEM... NO. NO, EVERYTHING IS FINE.

CONTINUE STANDARD APPROACH.

SOMETHING MAKES ME HESITATE, NOT TELL SPOCK THINGS ARE, INDEED, NOT AS THEY SHOULD BE.

FLUCTUATION IN THE WARP ENGINES.

WE'RE ENTERIN' TH' PLANET'S OUTER FIELDS, SIR!

SHIELDS ON MAXIMUM, MISTER SULLU.

MAXIMUM? RESPECTFULLY, SIR. I DON'T THINK WE NEED THAT KIND OF POWER TO...

IS THERE A REASON FOR FULL SHIELDS, SIR?

I HAVE JUST COMPLETED A LONG-RANGE SCAN OF THE AREA, AND I FIND NO IMMEDIATE THREATS.

CALL IT A HUNCH, SPOCK.

VERY WELL, SIR.

YOUR HUNCHES ARE USUALLY RELIABLE.

THANK YOU, MISTER SPOCK.

I'M... HEADING DOWN TO SICKBAY FOR A FEW MINUTES.

LIHURA, MONITOR ANY TRANSMISSIONS IN THE AREA.

AYE, AYE, SIR.

WHAT DO YOU SUPPOSE THAT WAS ABOUT, MR. SPOCK?

I WOULD NOT CARE TO COMMENT, MISS UHURA.

"EXCEPT TO REITERATE MY FAITH IN THE CAPTAIN."

EVERYTHING IS NORMAL.

AN AVERAGE DAY ABOARD A STARSHIP.

IN THE RECREATION ROOM...

AUXILIARY CONTROL...

ENGINEERING...

NO HINT OF ANYTHING ABNORMAL AT ALL.

EXCEPT ME!

I WALK AWAY WITHOUT ENTERING. MY PLACE IS ON THE BRIDGE-- CAN I GET THERE?

"BUT WHEN I STEP INTO THE ELEVATOR..."

SICKBAY!  
AND I'VE SHIFTED  
AGAIN!

NOT NOW,  
JIM! I'VE GOT MORE  
EMERGENCIES THAN I  
CAN HANDLE AS IT  
IS!

GET  
BACK TO  
AUXILIARY  
CONTROL!

DOCTOR!

WE'RE  
UNDER  
ATTACK  
AGAIN!

BUT...  
AUXILIARY  
CONTROL?

WHY?

CAPTAIN  
TO  
BRIDGE.

SPOCK!  
COME  
IN!

JIM!  
WHAT IN  
BLAZES ARE  
YOU  
DOING??

THE BRIDGE  
IS GONE! SPOCK  
IS GONE!

THEY'RE  
ALL  
DEAD!

**BOOM!**

THE  
ATTACK HAS  
RESUMED! I'VE  
GOT TO GET  
TO...

DUTY OVERRIDES  
CONFUSION.
