

NOW,
WE KNOW
FOR CERTAIN
THAT THEY'RE
IMPORTING
WEAPONRY.

WE'VE
OBTAINED
A RECENT
CARGO
MANIFEST.

THE
LISTED
IMPORTS
INCLUDE
"MECHANIZED"
SENTRIES.

CARGO : WELTCRAFT
STILT-WALKER TK-6
QTY : 110 UNITS
DESTINATION : PRIMUS POL
ALPHA VILLA (HELICOPTER
CONTAINER : M
ORDER NUM : M
WEIGHT :

YOU MEAN
HELIOCOR IS
IMPORTING...
ROVERS?

HOW
DO YOU
KNOW THIS,
DAKAR?

WE'VE
GOT A MAN
ON THE IN-
SIDE.

EDGAR
ENROLLED
IN THEIR JOB
PROGRAM
TWO MONTHS
AGO.

DOES
ONICA
KNOW
ABOUT
THIS?

NO
KELLER.

AND
IT'S BEST
THAT SHE
NOT
KNOW.

YOU'RE
TALKING
ABOUT
SABO-
TAGE.

BUT
HOW?

WITH
WHAT?

WE'VE OBTAINED ARMS AND MATERIALS FOR EXPLOSIVES FROM THE MARKET-PLACE.

EDGAR HAS FOUND AN ENTRY POINT INTO THE CARGO HOLD WHERE THE MECHS ARE KEPT.

WE CAN REACH IT THROUGH THE SLAB'S DRAINAGE SYSTEM.

BUT DAKAR...

EVEN IF WE SUCCEED, HELIOCOR CAN JUST IMPORT MORE.

THEY HAVE ENDLESS RESOURCES AT THEIR DISPOSAL.

THAT'S TRUE.

HELIOCOR MIGHT NOT STOP UNTIL WE'RE DESTROYED.

BUT, IF THAT'S THE CASE--

--I PLAN ON MAKING IT AS COSTLY AS POSSIBLE FOR THEM.
