**RUNNING WITH THE DEVIL** The costumed vigilante known as DAREDEVIL has been fighting crime in the dark streets and on the foggy, cold rooftops of New York City for years. In that time he's fought some deadly men and women: assassins, crime lords, killers and thieves. One of Daredevil's most dangerous adversaries is the assassin known as...

# BULLSEYE

With unshakable aim, expertise with all forms of weaponry, deadly fighting skills, and an unpredictable moral compass, Bullseye used his talents to become one of the world's greatest (and highest paid) assassins. Often foiled by Daredevil, Bullseye has been lying low...but getting bored. He went over the top for his last job, taking out a mob informant in a spectacular explosion that killed his target as well the F.B.I. agents protecting him. For his current assignment, to extract Fabian Losani, a US gangster's son, from the grip of Teodor Zarco and the Black Knife Cartel in Colombia, Bullseye ignored his handler's advice to be subtle and went in guns blazing.

Bloodshed ensued, but just when Bullseye had his target and thought he was home free, Fabian turned on him and brought him before Teodor. Unbeknownst to Bullseye, an F.B.I. agent named Joy Jones, whose husband was killed in the explosion during his last job, was also hunting Bullseye on a personal revenge mission. She and her hired guns intercepted Bullseye before Teodor could kill him, but in all the confusion at the compound, an explosion knocked out Joy and left Bullseye under a pile of rubble, while outside, S.H.I.E.L.D. swooped in to take down the BKC once and for all!
