Doreen Green doesn't just study computer science - she also studies *justice*, thanks to her being born with all the powers of a squirrel and all the powers of a girl! With the help of her best friends (human and squirrel), she fights crime and saves Earth on the regular. Her pals call her Doreen - which means you can too! - but if you ever see her in costume, keep her secret identity safe and call her...*The Unbeatable Squirrel Girl!*

Squirrel Girl *in a nutshell*

Squirrel Girl @unbeatablesg ✓

Okay, to everyone who still has internet access: Hello! Yes, me and the other super heroes HAVE noticed that there's some sort of realm-based war going on right now, and we're determined to win it!

Squirrel Girl @unbeatablesg ✓

For example, I am currently in rural Alberta, which is in Canada, working to save all of North America from the Frost Giants! Will I win? I mean gosh nothing is certain but I sure hope so

Squirrel Girl @unbeatablesg ✓

Also, I know I just say as "weird" or "unexpected" or "the premise of a buddy comedy film" but in order to assure victory, I've teamed up with Ratatoskr--the Norse God of Smack Talking -- who is a shapeshifting squirrel who runs up and down the tree of life spreading gossip!!

Squirrel Girl @unbeatablesg ✓

(And may I just say as an aside here that everyone finding out that the entire old Norse cosmology was Literally Real is a pretty surprising thing that I guess we all just decided not to talk about?)

Squirrel Girl @unbeatablesg ✓

Anyway, Ratatoskr and I are going to SORT THIS OUT, and right now we're going to go into a town in rural Alberta to find out where the Frost Giant Secret Base is, so we are ON IT.

Squirrel Girl @unbeatablesg ✓

Also if you know where the secret Frost Giant Secret Base is, hmu

Egg @imduderadtude

@unbeatablesg what does hmu mean

Squirrel Girl @unbeatablesg ✓

@imduderadtude "Hit me up." What does "imduderadtude" mean?

Egg @imduderadtude

@unbeatablesg it means im a dude with a rad tude!! "tude" is short for "attitude"!!!! i'm VERY extreme and rad and VERY online

Squirrel Girl @unbeatablesg ✓

Egg @imduderadtude

@unbeatablesg wow eggs can be rad dudes too you know, im a literal egg that's also a literal rad dude, hollllaaaaaa

Squirrel Girl @unbeatablesg ✓

@imduderadtude You have my word: I will hollllaaaaaa after saving Earth from Frost Giants, citizen. This I swear.

Egg @imduderadtude

@unbeatablesg sweet i knew there was a reason i followed u

Tony Stark @starkmantony ✓

@unbeatablesg Hey Squirrel Girl: I'm taking a break from building armor for Odin and also some dwarves (long (and very interesting) story), and thought I'd check in. How goes the search for the Frost Giant secret base?

Squirrel Girl @unbeatablesg ✓

@starkmantony hahah uh well we're headed to Churchill next and I'll be able to tell you more later assuming we survive this uh "bar fight" with "enraged locals"

Tony Stark @starkmantony ✓

@unbeatablesg ...Did you start a bar fight with locals?

Squirrel Girl @unbeatablesg ✓

@starkmantony Ratatoskr DID! RATATOSKR DID BECAUSE SHE'S WILDLY UNPREDICTABLE AND CAPRICIOUS AND TRICKY AND I DON'T THINK SHE'S TAKING THIS OR ME SERIOUSLY!!!!

Squirrel Girl @unbeatablesg ✓

@starkmantony ALSO I'M TYPING THIS WITH ONE HAND WHILE TRYING TO BREAK UP THIS FIGHT AND SOMEONE JUST PUNCHED ME RIGHT IN THE EAR, WHAT THE HECK

Squirrel Girl @unbeatablesg ✓

Rachel...I specifically made you promise not to betray me.

This is not me betraying you!! This is me *helping* you. This is me telling you what you need to hear!

We *can't* save this world, Scarlett! Nobody can. And if you try it, you're going to be killed sooner than the rest of us!

You're on a pale blue dot that's being invaded by *nine different realms* right now, and you think you're going to save everyone by-- by what, punching some giants in the woods? You've already lost. *We've* already lost.

Oh my god. You're not actually here to save anyone. You're just here to fight anyone you can find.

Yes. Because *that's* where the chaos and fun is-- *in* the fight! All that's left is to stir things up while we still can!

The *Titanic's* sinking, and I'm here saying, let's raid the kitchen! Let's party on the poop deck and trash some deck chairs! Let's bust out that fiddle while the world burns, you know?

So what do you say me and you go run down over to Churchill and see what kind of trouble we can make happen?

It'll be *hilarious*. First one to cause a Frost Giant fistfight to break out wins!

Rachel, if you're not interested in helping people, if you're really just doing this for "the lulz"...

...then I'm sorry, but I really don't think we need to be on teams anymore.

In case you're wondering, Ratatoskr could drop that reference because Asgard *also* had a giant ship named Titanic that sunk. It turns out one of the few constants across dimensions is how bad an idea it is to name your ship Titanic, Gigantic, or The S.S. Not Even The Gods Themselves, Whom I Incidentally Do Truly Deify, Can Ever Sink This Boat.

Hey, speaking of boats: My dad got a boat once, and I suggested he name it that last boat name on the previous page. He did not go with it.
My Friend (and *Spider-Man: Life Story* writer) Chip Zdarsky suggested *Vesselmania IV*, which my dad *also* did not go with!
The moral: As a group, dads are clearly amazing, but some of them in particular should be way more open when it comes to unsolicited boat names.

That night...

So to get back to my earlier point vis-à-vis phase change in water vapor...

Hey, I'm getting chilly. Throw another log on that fire, Daisy.

Yes ma'am.

Bud, I can't believe you're going to sit here and argue with a straight face that *advection* Frost is the best.

You kidding me? It covers things in tiny spikes; what's not to like? Let me guess: *your* favorite is, what--*pruina*?

Oh, you want to do this? Because we can do this. Say *one bad word* against pruina. I dare you.

Ladies, gentlemen, please! We can agree to differ, okay?

FWOOMP

Besides, we all know *rime's* the best.

That's not even a real Frost!

Yeah! You need a slow and steady *desublimation* of water vapor to produce it, not *supercooled* waterdrops that--

Enough!

Good grief, I assumed you had other interests beyond *Frost*.

We're Frost Giants, ma'am.

I knew that! I just didn't know the name was so *insanely literal*.

Fun Frost Facts: Frost comes from water, and as all water on Earth is recycled, every time you clear Frost off something you're technically removing water that was once inside a dinosaur's belly. Also, when you drink water, the same rules apply! I know this is more of a Fun water Fact than a Fun Frost Fact but you've got water that was once *dinosaur pee* coming out of the taps in your house and that's *amazing*!

Okay, new rules.
I'm your queen, and
you all have to go out
and fetch snacks for
me. Oh, and a portable
video game system.
Something with
kart racing.

I have
always
wanted to
race a
kart.

As you
command,
my liege.

Daisy, you stay
here and keep me
entertained.

As you
command, my
liege. Perhaps my
queen would be
amused by hearing
a famous song of
my people?

Perhaps.

Ahem.

One taught me love,
One taught me patience,
One taught me pain
And one taught me amazing
Now I'm so amazing

I've loved and I've lost,
But that's not what I see
So look what I got
Look what you taught me
And for that, I say

Thank you, Frost (Frost)
Thank you, Frost (Frost)
Thank you, Frost,
I'm so--

OKAY,
WE'RE DONE HERE,
STOP SINGING
AND NEVER SING
TO ME AGAIN

Daisy, I want you to
answer me sincerely. I've
got you and your friends
waiting on me hand and foot.
This is usually my jam. But
instead of enjoying it, I'm
restless and can't stop
thinking about zingers
I wish I'd said to
Scarlett.

So, uh, this is me
hereby using mind
control to order
you to solve my
emotional problems.
Tell me the truth.

Right
away, please.
