PART 3 of 5 “HONOR AMONG THIEVES”

BLACK SPIRE OUTPOST is a haven for smugglers, merchants and travelers from every corner of the galaxy – all looking to make the score of a lifetime through the infamous black market.

The mysterious Dok-Ondar is known far and wide as a collector and trader of only the most valuable artifacts money can buy. But a trio of outlaws is after a fabled relic that even Dok-Ondar fears...and they've hatched a scheme to swindle the Lthorian out of it.

But with the evil First Order occupying Black Spire, time is running out to pull this difficult heist off. . . .
