

LOOK, WERE ARE YOUR PARENTS.

I FOUND YOU AFTER THEY HAD FALLEN FROM A CLIFF WITH A WAGON OF ARTIFACTS.

FOR THEM, I COULDN'T DO MUCH. ONLY YOU WERE ALIVE.

IT WAS UNDER A CAMPHOR TREE WHEN I FELL ASLEEP, AND IN A DREAM I HAD FOUND YOU.

A LITTLE YOUNG FOREIGNER, WHO REVOLUTIONISED MY TECHNIQUES AND WOULD ACCOMPANY ME ON MY LAST JOURNEY.

DESTINY WANTED YOU TO STAY WITH ME, MY SON.

AND THEREFORE I AM ALONE IN THE WORLD?

I HAVEN'T HAD STUDENTS FOR DECADES.

ALLOW ME TO TEACH YOU THAT WHICH I KNOW.

I ASK YOU ONLY TO COME WITH ME ON MY LAST JOURNEY.

COME, I WANT TO TELL YOU A STORY.

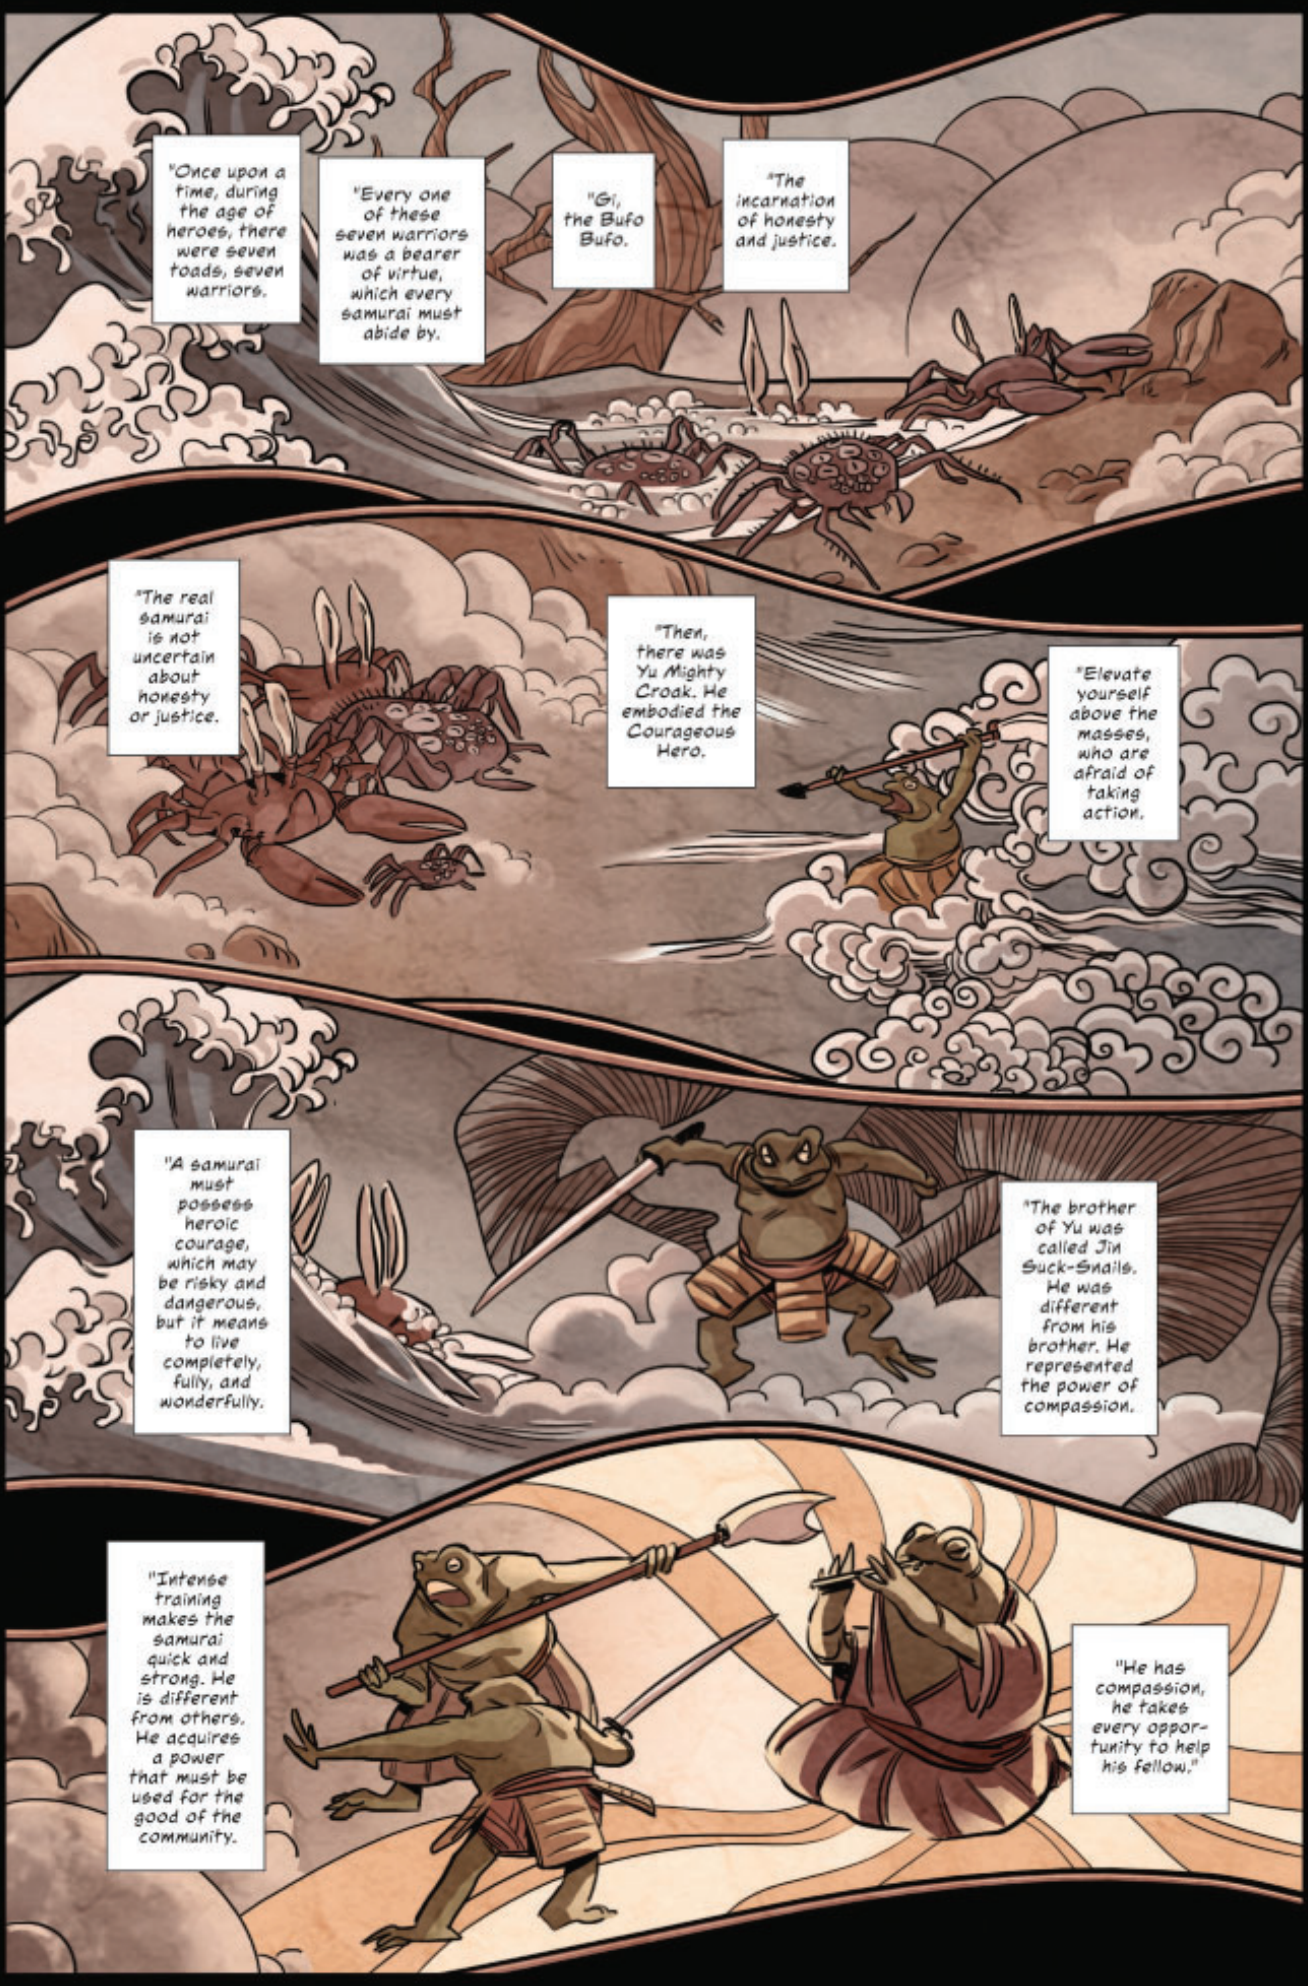

SIT LIKE ME.

RELAX YOUR SHOULDERS.

CONCENTRATE ON YOUR BREATHING, AND LISTEN TO MY WORDS.

"Once upon a time, during the age of heroes, there were seven toads, seven warriors.

"Every one of these seven warriors was a bearer of virtue, which every samurai must abide by.

"Gi, the Bufo Bufo.

"The incarnation of honesty and justice.

"The real samurai is not uncertain about honesty or justice.

"Then, there was Yu Mighty Croak. He embodied the Courageous Hero.

"Elevate yourself above the masses, who are afraid of taking action.

"A samurai must possess heroic courage, which may be risky and dangerous, but it means to live completely, fully, and wonderfully.

"The brother of Yu was called Jin Suck-Snails. He was different from his brother. He represented the power of compassion.

"Intense training makes the samurai quick and strong. He is different from others. He acquires a power that must be used for the good of the community.

"He has compassion, he takes every opportunity to help his fellow."
