SPECIAL THANKS TO ROCKSTEADY STUDIOS

Well not this exactly.

This is just an unfinished copy of a hellhole that Joker blew up months ago.

Funded by Bruce, of course, in his never ending attempt to show everyone that he just can't help being wonderful.

But back before The Batman's biggest failures, this was the place to be if you were suitably damaged on the inside as well as the outside.

I fit right in.

I know exactly where to go.

I counted the steps so many times I'll never forget it.
