

Marvel Comics Presents:

WHAT IF?

GUARDIANS OF THE GALAXY

TRIED TO FREE THANOS?

When the Avengers journeyed to the far reaches of the universe to stop the Builders' wave of conquest and destruction, Thanos and his Black Order struck Earth in order to find Thanos' child, Thane. In the ensuing battles that occurred, decisions were carefully weighed and debated before being carried out, many with great consequences as a result. At times like these, one can only wonder: What if different choices had been made? What if a fight had gone the other way? What if different actions had been taken? What if...?
