STORY BY JASON BLUNDELL AND CRAIG HOUSTON

ACTIVISION

As the scourge of the undead spread across every corner of existence...MANY worlds...MANY souls...were lost, broken, or FORGOTTEN.

Many, but not all.

Sometimes, I think about the PAIN that I have caused...the SUFFERING I inflicted on those around me, in pursuit of my own SELFISH agendas.

It really makes me quite nostalgic.

Ah, Russman. So many secrets. So many layers. Like an onion.

Dear old Stuhlinger --blessed with the gift of my voice INSIDE his head.

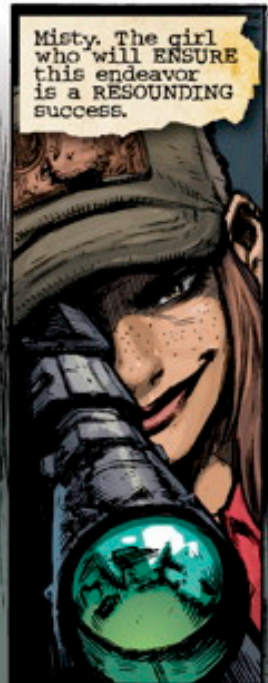

Marlton. The engineer. Know-it-all.

NERDI

Misty. The girl who will ENSURE this endeavor is a RESOUNDING success.

My name --is Edward Richtofen, and I have been trying SO very hard...

...to do the right thing.

274.

COME ON, YOU HAVE TO BE A LITTLE IMPRESSED.

DOES MAINTAINING PROPER RADIO SILENCE MEAN ANYTHING TO YOU?

YOU KNOW IF YOU GOT 274 HEADSHOTS IN A ROW, I'D BE IMPRESSED.

MISTY.

YEAH, YEAH, YEAH. RADIO SILENCE.

NOTHING.  
USELESS MAGGOT  
FARM.

ACTIVES.

THE  
AREA WAS  
CLEAR OF ANY  
REANIMATE  
ACTIVITY.

YEAH,  
WELL...

NOW IT  
ISN'T.

THIS IS  
GOING TO SEND  
MY RECORD  
STRAIGHT  
TO HELL.
