

Mareton, if you keep blacking out, I'm going to have to keep you awake through more inventive means.

Who...the hell are you? What do you want?

I want to know about Novo. Your current situation and the blood all over me should answer any other questions you have about my seriousness.

Talk.

Novo? They're gone, man. Been gone for a decade or more. After all that shit in the news, people stopped caring. I stopped caring. It was a bunch of hippie [redacted]

Oh! Sometimes I see some of the other guys from back then, but that's it, that's all. I bet they know something.

Beaton, Mauser, Franklin, I'll take you to them.

I already visited them tonight. They all told me where to find you.

Said you knew everything.

NYEEARRGH!

Novo's s-s-still around. Th-th-they're just quieter these days.

They're on s-s-some other thing entirely. Someth-th-thing worse. Something r-r-real.

I-I'm done with all that. I didn't want a p-p-part of it. I'm a g-g-good person.

No you're not, Mareton. I know exactly what you are.

Don't hurt her!

Hurt her?
I'm rescuing
her.

I don't hurt
innocent things.
Not anymore.

That's what
you do. What
you made me
do.

Urrrgg!
Stop.
STOP.

I'm sealing
my oath,
Mr. Marston.
Remember? No
matter how
painful it is, it's
necessary.

Sealing
your...
ARGH

You son
of a bitch, I
know you. That
shit about the
oath. You're one
of those goddamn
Novo kids, aren't
you?

I should
have killed
you all in your
sleep, you little

Maybe
you should
have.

I'll give
you a few
more minutes
to think
about it.

About
what you
should've
done.

And what
you never
will.

Come now, Scott. You've barely made a dent.

We're done tonight, Aeshma. You got your souls, sun rises in 20 minutes. Go away.

No, you owe me now. Soon I begin charging interest.

How many, Aeshma? How many do I have to kill?

It's simple, Scott. As many as the demons King Solomon captured.

That doesn't help.

I'm not here to *HELP* you. Don't get any illusions about your freedom. I know what you were doing tonight and why.

You play your games, I play mine.

"If this is what it takes for you to embrace your obligations, so be it.

"Just remember who holds your leash, Scott. You keep your freedom, your life, because I allow it.

"Same for your family.

"I can destroy it all with one little rudge."
