

# THE DAILY BLOWHOLE

Your source for news aboard the *Diamond Porpoise!*

## DAY 5

## FORECAST

Thanks to everyone who participated in the Hulk candlelight vigil. But the green body paint continues to be an issue for housekeeping. Deck 2 will be closed tomorrow for cleaning.

Some of you may have noticed a new passenger on board. Ahoy, to the Phantom Rider, Lincoln Slade! He will not be speaking at the Nerd Cruise banquet. Mr. Slade is here for personal reasons (murder, stalking).

Enjoy your cruise!

Yours sincerely,  
Captain Katie Kubert

### FAQ

**Q:** Didn't the Phantom Rider once trick Mockingbird into hooking up with him in the Old West?

**A:** Lincoln Slade did aggressively woo Bobbi Morse, shortly before he fell off a cliff. Now he is a ghost, but he is able to join us because he is possessing our ship porter.

**Q:** Am I in danger of being possessed?

**A:** Mr. Slade can only possess relatives. We recommend that all passengers consult a genealogy website at their earliest convenience.
