Jennifer Walters has always battled for justice, both as a lawyer and as the super hero She-Hulk. But during the last super hero civil war, Jen was critically injured. At the same time, Jen's cousin, Bruce Banner, A.K.A. the original Hulk, was murdered. Since the incident, Jen's Hulk persona has become gray, scarred, and muddied by rage.

She-Hulk is no more. Now, there is only

HULK

Oh, cool, is it New Comic Book Day already? Best day of the week, amirite?

Anyways, I'm Jen, nice to meet you. This is, uh, my comic book. In the previous issues I've gone through some stuff--dealt with trauma, fought a golem made of rage and fear, and grappled with a YouTube star turned monster on the Brooklyn Bridge. Been a busy few weeks, but my editor and Mariko promised me some downtime this issue and I am REALLY looking forward to it.

Wait--what? They're making me go on a DATE? Oh, come ON!
