# MOON GIRL

Lunella Lafayette is a nine-year-old prodigy living with her mom and dad in Manhattan's Lower East Side. Devil Dinosaur is a bright red time-displaced Tyrannosaurus rex. They are shunned and ignored by most, but for better or worse, they have each other! After undergoing Terrigenesis, Lunella discovered that during the full moon lunar phase, she and Devil will intermittently switch brains.

After picking up a distress signal from deep space, Lunella and Devil built a spacecraft powered by the Omni-Wave Projector (the space-time manipulating device that brought D.D. to the present). Following the signal out into the cosmos, they met Illa the Living Moon! To make her happy, Lunella reunited Illa with her father, Ego the Living Planet.

Moon Girl's space travels destroyed the Omni-Wave Projector, but not before she was able to make one more stop: the alternate past Devil came from, the Valley of Flame. Lunella then made the hardest decision of all and left Devil Dinosaur back where he belongs...

# GIRL-MOON: EPILOGUE

HOW DOES THE *WORLD'S GREATEST COMIC TEAM* CARRY ON WHEN YOU'RE SHORT A 30-FOOT-TALL PARTNER? MOON GIRL *WITHOUT* DEVIL DINOSAUR--LUNELLA LAFAYETTE NEEDS A NEW SIDEKICK. A SPECIAL TALE TOLD IN THREE PARTS...

"Maybe I became a mathematician because I was so crummy at housework." --Cathleen Morawetz

THE LAB.

I lost my best friend.

It's the worst feeling.

AT LEAST I'M RID OF THE STINK.

I didn't even lose him--I left him.

¿SNIFF¿  
¿SNIFF¿

That's even worse.

AW...

I EVEN MISS THE SMELLY.

I'm going to meet a couple of new guys. Maybe new partners.

So I'm cleaning up *The Lab* because it's a mess.

You never have a *second* chance to make a *first* impression. And I want the *three* of us to get along.

Me and Devil Dinosaur--neither of us was all that tidy.

But I can change.

CLEANING UP AFTER A TYRANNOSAURUS REX TAUGHT ME SOMETHING...

IT TAUGHT ME I'M MORE OF A MESS THAN A 30-FOOT DINOSAUR WITH A SINGLE-DIGIT I.Q.

BUT WHEN YOU'RE THE SMARTEST PERSON IN THE WORLD, YOU'VE GOT BETTER THINGS TO DO. I WAS THINKING MAYBE IT'S TIME TO START LOOKING FOR SOME NEW HELP...

# MOON GIRL + MOJO & THE NEW X-MEN in: Sign on the Dotted Line...

Cinematography by Ray-Anthony Height

I'm pretty popular, you know.

FAN MAIL!

HMMMM...

LOTS OF STAMPS AND NO RETURN ADDRESS.

WHO COULD IT BE FROM?

I'VE BEEN A SUPER HERO FOR LESS TIME THAN ANYONE ELSE.

Of course, there are things more important than how much people like me.

I'm just saying.

WHAT THE WHAT IS GOING ON HERE?!

I knew I should have left it alone! But for some reason I just had to peek!

WHAHAHA

Maybe I shouldn't be too full of myself.

AAAAAAAAHHH!

WELCOME! I AM MOJO-- PRESIDENT OF PROGRAMMING AND EVERYTHING ELSE!

AND THIS IS MOJO TV.

SHE'S HERE! SHE'S REALLY HERE!

Where's here?

Maybe I don't even want to know!
