Book I, Part IV

# CAPTAIN PHASMA

**General Organa's Resistance forces have launched a direct attack on the First Order's most powerful weapon, Starkiller Base, completely obliterating it.**

**After a Resistance assault team forces Captain Phasma to lower the base's defensive shields, she deletes all records of her transgression – only to discover that Lieutenant Sol Rivas had already accessed the files and escaped on a TIE fighter. She and First Order pilot TN-3465 follow him to the planet Luprora.**

**After disguising themselves among the civilians, Captain Phasma and her pilot discover the location of the missing First Order Lieutenant. But between them and their target rages a battle....**
