HOPE DIES Part VI

Queen Trios' sabotage has left the Rebel fleet completely helpless and at the mercy of the mighty Imperial Navy. Until now!

Han Solo has courageously navigated the battle to deliver crucial intelligence to Luke Skywalker, allowing the newly formed Rogue Squadron to finally fight back against the Empire. And Princess Leia has narrowly escaped Darth Vader after stealing Trios' override codes for their fleet's systems.

With power finally restored to his cruiser, General Dodonna has ordered a retreat. But the rest of the fleet is still at Vader's mercy. The next choice the rebels make could seal their own fate and the fate of the entire galaxy....
