# GUARDIANS OF THE GALAXY

## PREVIOUSLY ...

The Universal Church of Truth has returned, led by the Patriarch — Star-Lord's father! Incubating hundreds of cocoons, the Church plans to raise its messiah and an army to kill Death.

The Guardians of the Galaxy fell victim to the Church's mind control--all except Moondragon and Groot, who fled, seeking help from the dying Rocket Raccoon. Donning a life-support mech suit, Rocket led them to an unexpected ally — the child reincarnation of the Magus!

Meanwhile, the Patriarch sentenced Star-Lord to be executed — only to be interrupted by the Church's messiah breaking out of his cocoon. Finally, salvation is here in the form of none other than DRAX THE DESTROYER!
