WITH THE POWER OF THE WIND AT HER COMMAND, LEI LING IS THE MASTER OF THE SKY! SHE IS THE ASTONISHING, AWE-INSPIRING...

“THE TOWER”

WRITER **ZHOU LIEFEN** ARTIST **KENG** ADAPTATION BY **GREG PAK**

Lei Ling wants to build a better, more beautiful Shanghai. As a brilliant architect, she’s achieved success for herself and her city, all while leading a second life as a super hero. The key? For Ling it’s all about balance. But finding that balance isn’t always easy.

For one thing, Ling can’t seem to get on the same page as her boyfriend, Zou Yu. He took her on a romantic date where he planned to propose, but Ling wasn’t ready. Before he could pop the question, a strange vortex appeared outside the restaurant where they were having their date, causing a river ferry to capsized!

“AERO & WAVE: ORIGINS & DESTINIES” PART FOUR

WRITERS **GREG PAK & ALYSSA WONG** ARTIST **POP MHAN**  
COLORIST **FEDERICO BLEE**

Seeking to gain back the trust of Red Feather and Triumph Division, Wave enlisted Aero’s help to investigate AlonTech, the shadowy company that accidentally gave Wave her powers. Aero and Wave were escaping from AlonTech drones when a woman called the Sea Hunter intercepted them and lent a hand. Just when they thought they were in the clear, bigger and more dangerous drones--the Seawolves of AlonTech--appeared!
