

Before Creation, before the CREATOR,  
was the infinite ocean...

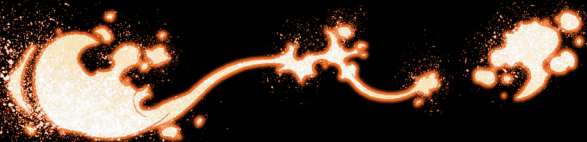

...of NOTHING.

Call it the UNMANIFEST  
VOID. GOD'S UNCONSCIOUS.  
THE SEA OF BRAHMA.

Call it what you WILL.

It is the Source from which  
all things EMERGED...

...and to which all things  
will, MUST, return...

...in the  
END.

THE ENTITIES THAT CAUSED THE RUPTURES?
