

I REPEAT:
IMPERIAL SHUTTLE
DESIGNATION CZ-246
NEEDS URGENT
ASSISTANCE.

UNDER
ATTACK FROM
PIRATES, I
REPEAT...

THE
ENGINES ARE
DEAD.

US TOO.
LOOKS LIKE
THEY'RE ONLY
AFTER THE
CARGO...

...AS
THEY'RE GOING
TO POP US
RIGHT OPEN.

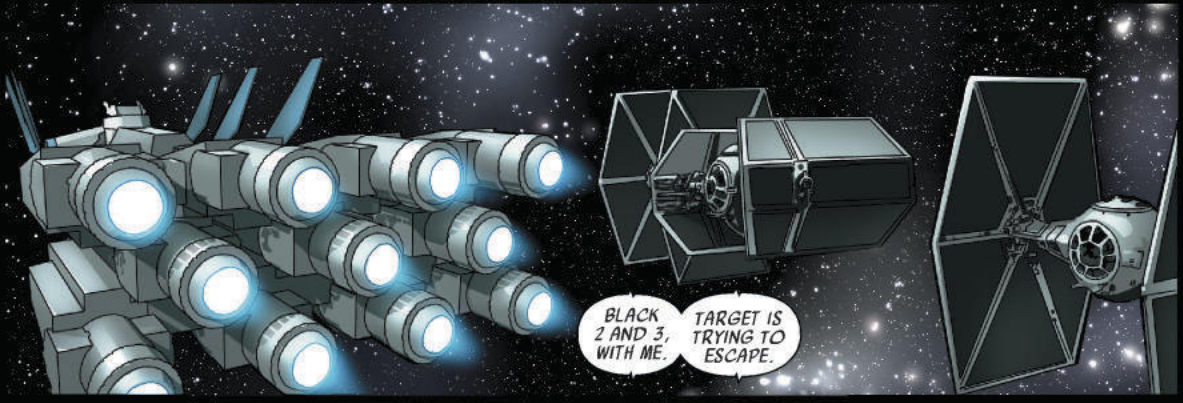

SITUATION
TERMINAL!
THERE'S NO
WAY OUT!
GOODBYE!

TORPEDO DESTROYED.

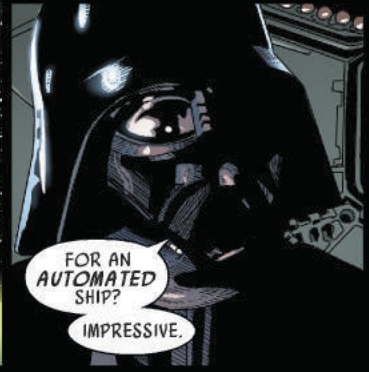

HAVE FAITH.

BLACK 2 AND 3, WITH ME.

TARGET IS TRYING TO ESCAPE.

FOR AN AUTOMATED SHIP?
IMPRESSIVE.

ENGINE CORE
DISABLED.

VADER TO SUPER
STAR DESTROYER
ANNIHILATOR...

...MISSION
SUCCESSFUL.

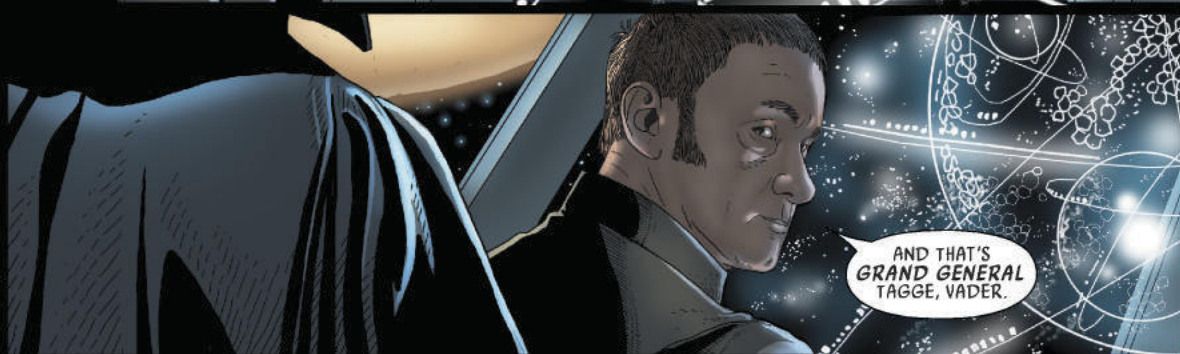

I CAPTURED THE PIRATE CORVETTE. IT WAS, AS SUSPECTED, ROBOTIC.

AND HIGH-QUALITY ROBOTICS AS WELL. *EXTREMELY* WELL SUPPLIED. THESE ARE NO FOOLS, TAGGE.

THEN IT'S ALL THE MORE URGENT WE FIND THE SOURCE OF THESE RAIDS.

IT HARDLY DOES THE EMPIRE GOOD FOR YOU TO HAVE SECURED SUPPLIES FROM THE HUTT FOR THESE RAIDERS TO STEAL THEM FROM US.

AND THAT'S GRAND GENERAL TAGGE, VADER.
