

"...WE HAVE ZERO INTENTION OF LETTING IT BE."

ANOTHER DRONE.

IT'S CIRCLING. WHEN IT COMES AROUND AND MAKES ITS NEXT PASS FROM THE EAST, I'M GOING TO KILL IT.

YOU CAN DO THAT?

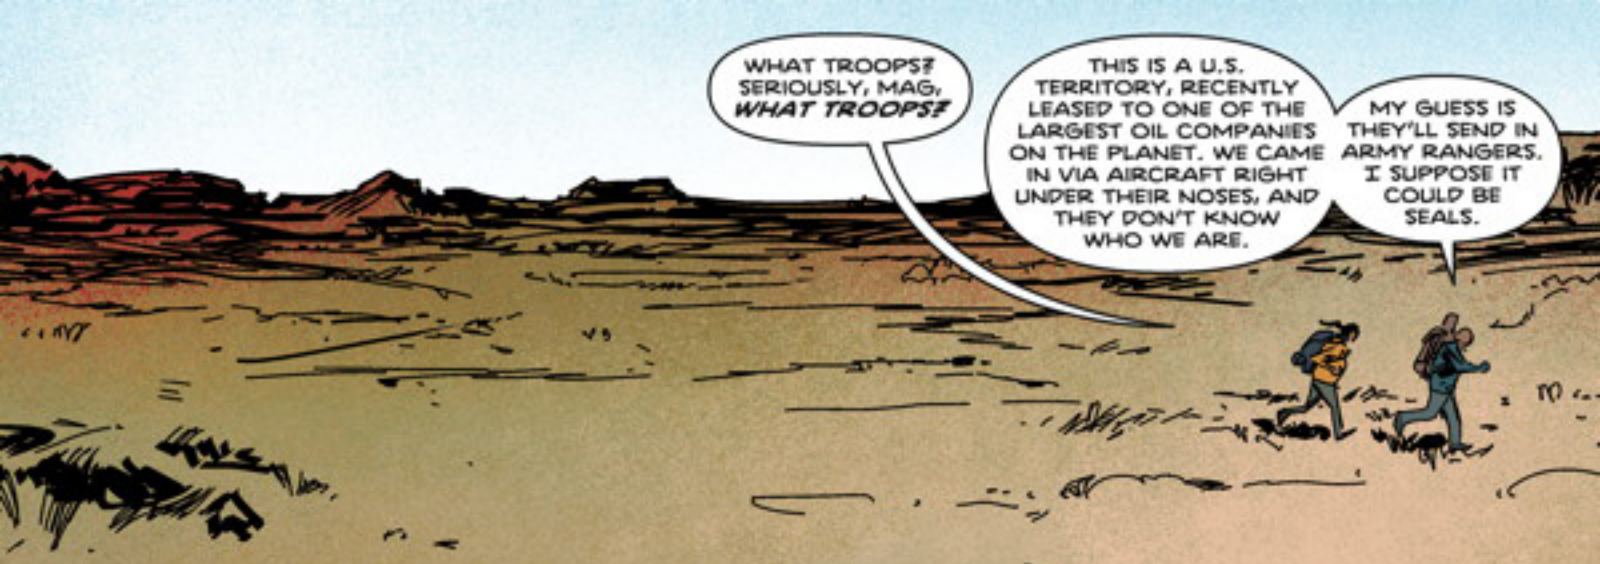

IT'S A GOOD RIFLE. I FIGURE IT'LL BUY US SIX OR EIGHT HOURS WHERE THEY DON'T HAVE EYES IN THE SKY. WE'LL NEED THAT.

FOR WHAT?

WHEN THE GROUND TROOPS ARRIVE.

I DON'T MIND CLEANING UP.

WHAT TROOPS?
SERIOUSLY, MAG,
WHAT TROOPS?

THIS IS A U.S.
TERRITORY, RECENTLY
LEASED TO ONE OF THE
LARGEST OIL COMPANIES
ON THE PLANET. WE CAME
IN VIA AIRCRAFT RIGHT
UNDER THEIR NOSES, AND
THEY DON'T KNOW
WHO WE ARE.

MY GUESS IS
THEY'LL SEND IN
ARMY RANGERS.
I SUPPOSE IT
COULD BE
SEALS.

MAN,
THAT'S
SERIOUS.

NOTHING
WE DIDN'T
EXPECT.

WE EXPECTED
NAVY SEALS?
I DON'T THINK SO.
WE TALKED ABOUT
CONTRACTORS,
OIL COMPANY
SECURITY
ENGINEERS.

LOOK AT THIS.
THERE HAS TO BE
A WHOLE NETWORK
OF TUNNELS UNDER
THE PERMAFROST.
THOUSANDS OF
TUNDRA MICE.

IN THE
SUMMER MONTHS,
THE WOLVES WILL
EAT THESE THINGS EN
MASSE, BUT IN WINTER
THEIR OPTIONS ARE
LIMITED. SEALS,
MOSTLY.

GLOBAL
WARMING IS
EXTENDING THE
WARMER MONTHS,
BUT ONCE THE
TEMPERATURE FALLS,
THERE'S STILL A BIG
POPULATION
DROP.

ONE THE
WOLVES CAN'T
AFFORD.

WE SHOULD
BE SEEING
SOMETHING
BY NOW.

THE
DRONE?

NOT THE
DRONE.
