

NOW.

YOU WILL NOT BE ABLE TO REPLICATE THE ANTIVIRUS WITH A BLOOD SAMPLE. OTHERWISE I WOULD SIMPLY DRAW SEVERAL AND PROVIDE IT TO EVERYONE. DR. OGAMI WAS CLEAR THAT THIS REQUIRES A STUDY OF THE GIRL'S LYMPHATIC SYSTEM--

--AND NANO-PROGRAMMING TO MASS-PRODUCE THE CURE. SHE IS A CARRIER... SHE HAS A RELATIONSHIP WITH THE ANTIVIRUS.

THEREFORE, ONE OF YOU MUST TAKE HER IN. THAT IS WHY I HAVE CALLED YOU.

I AM LOOKING FOR HER NEW HOME.

WE HAVE MORE IN NEED THAN ANYONE ELSE. THREE BILLION PEOPLE--

YOU SLAUGHTERED HALF YOUR POPULATION ALREADY, SHANG. YOU CANNOT BE TRUSTED TO SAVE THE OTHER HALF.

BRING HER TO THE U.K. WE CAN HAVE A JUMP JET IN LOW ORBIT WITHIN THE HOUR. TECHWORKS IS STILL OPERATIONAL IN LONDON. YOU CAN PICK ANY ANDROID BODY YOU WANT.

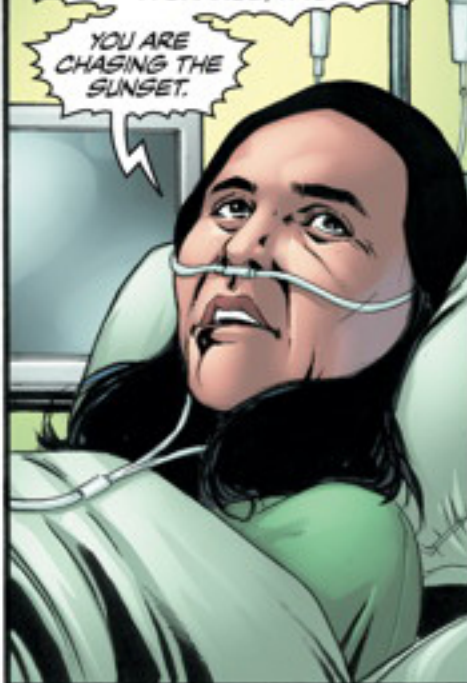

WE CANNOT DO THIS ALONE. TOKYO HAS INFRASTRUCTURE--

--BUT INDONESIA HAS THE PHARMA GRID TO MASS-PRODUCE IT. WE NEED TO COOPERATE--

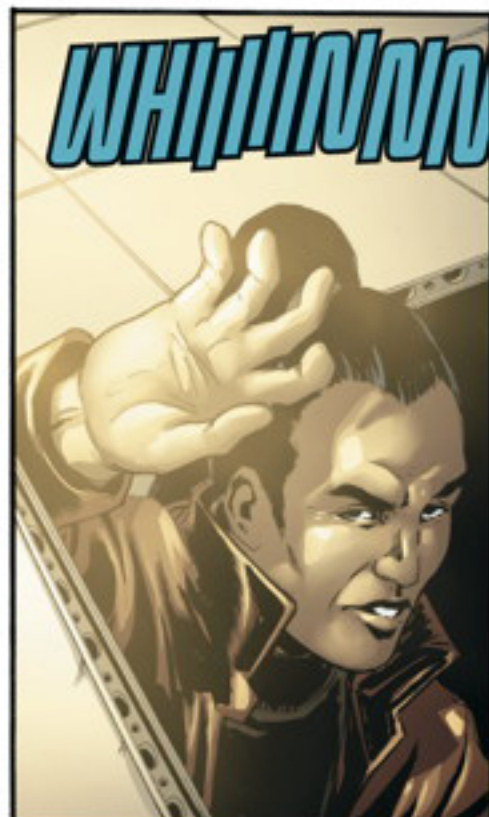

TOO MANY WOULD RATHER KILL THE GIRL THAN BELIEVE OUR FATE IS REVERSIBLE. YOU DON'T STAND A CHANCE, ITTO.

YOU ARE CHASING THE SUNSET.

THIS IS ALL POINTLESS NOW, BECAUSE--

WHOOOO!

YOU DONE  
SCREWED  
UP NOW,  
ANDROID!

The Hall  
Mary
