

IS IT WEIRD THAT RIDING A BIKE IN MANHATTAN IS SCARIER THAN BEING SPIDEY?

I SHOULD BE IN THE LIBRARY RIGHT NOW.

I HAD A STUDY DATE WITH GWEN.

BUT COLLEGE KIDS NEED PIZZA, SO...

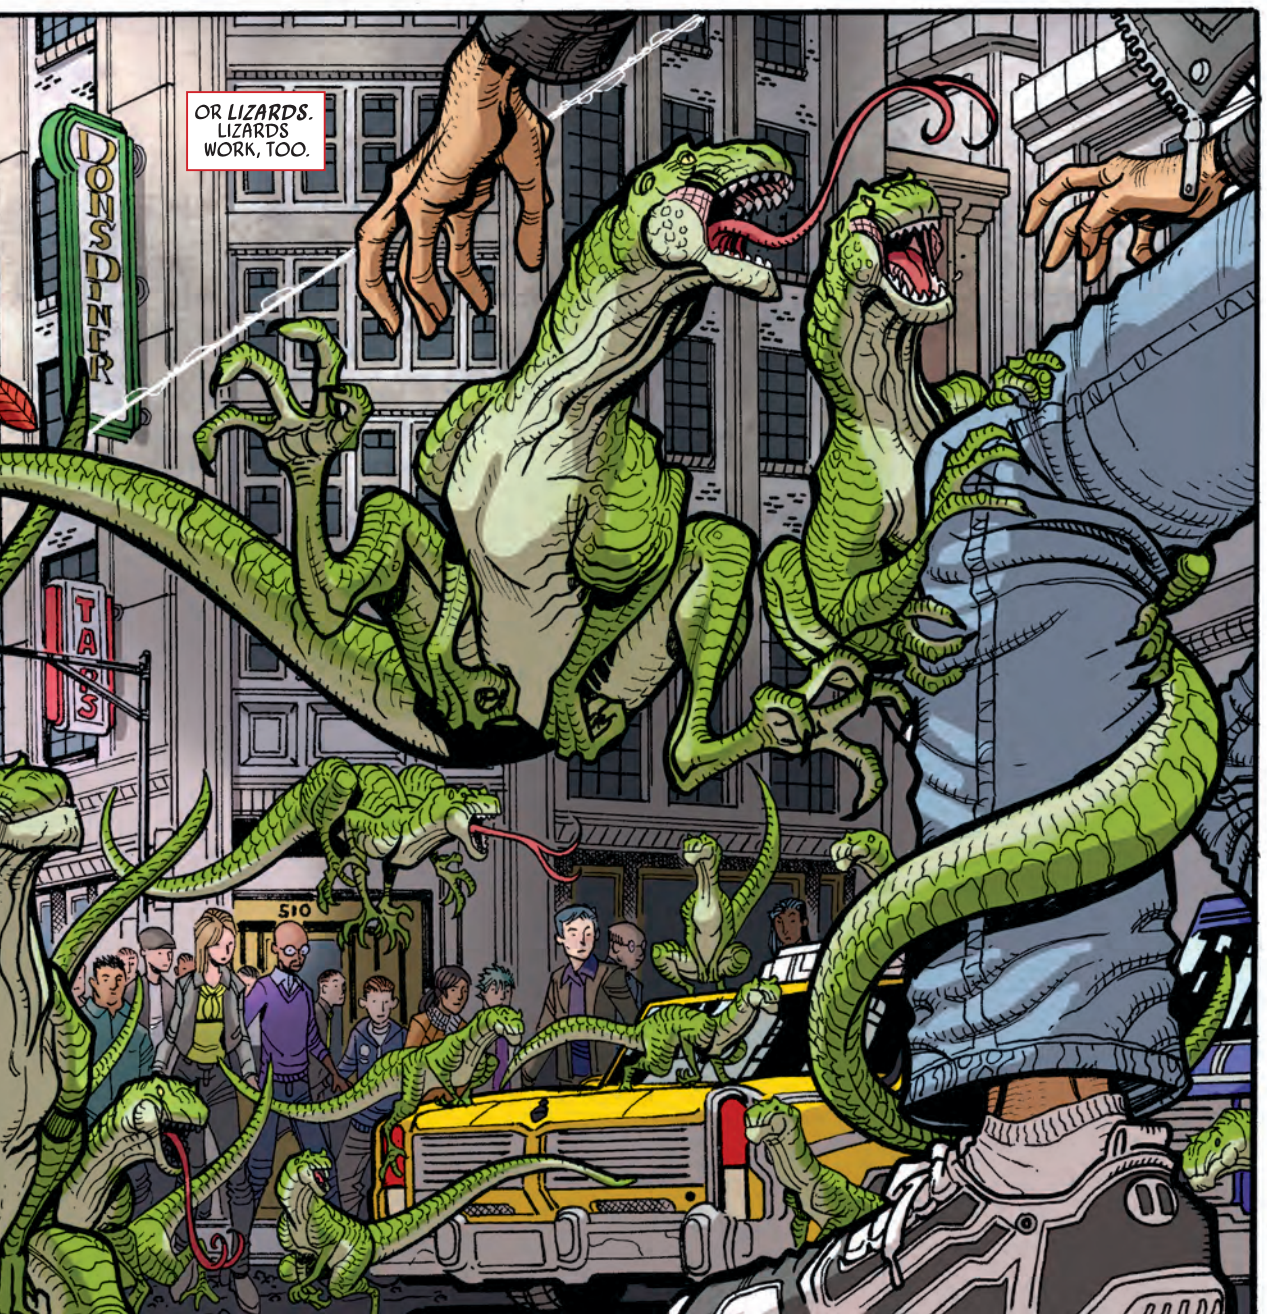

AAAIIIGGHH!
HELP!

PRETTY SURE I'M NOT GONNA GET THIS PIZZA DELIVERED IN UNDER THIRTY MINUTES.

LET'S SEE WHAT ALL THE SCREAMING IS ABOUT.

PLEASE BE ALIENS. JUST ONCE IT WOULD BE COOL TO FIGHT ALIENS.

OR LIZARDS. LIZARDS WORK, TOO.

THESE GUYS LOOK AWFUL FAMILIAR.

HISSESS...

GAH!

NICE TO MEET YOU, HISSESSSS. I'M SPIDER-MAN. ANY CHANCE THERE'S A ZOO MISSING YOU GUYS?

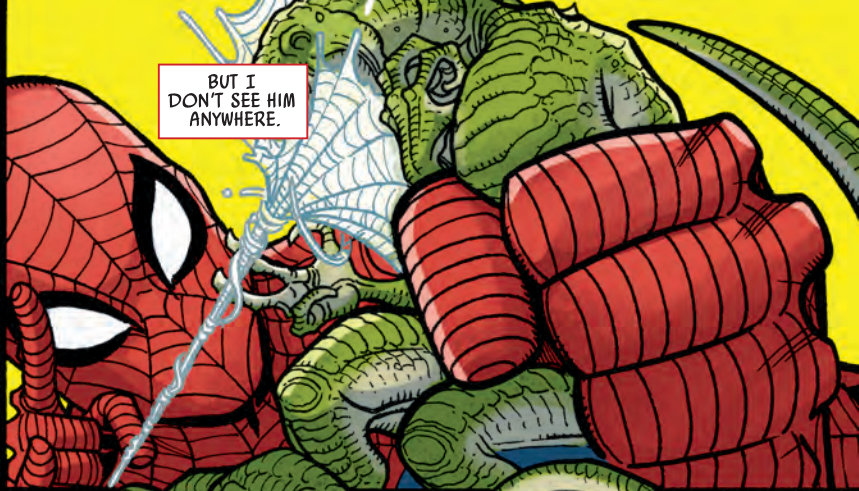

DR. CONNORS WAS A MEDIC. LOST HIS ARM IN BATTLE.

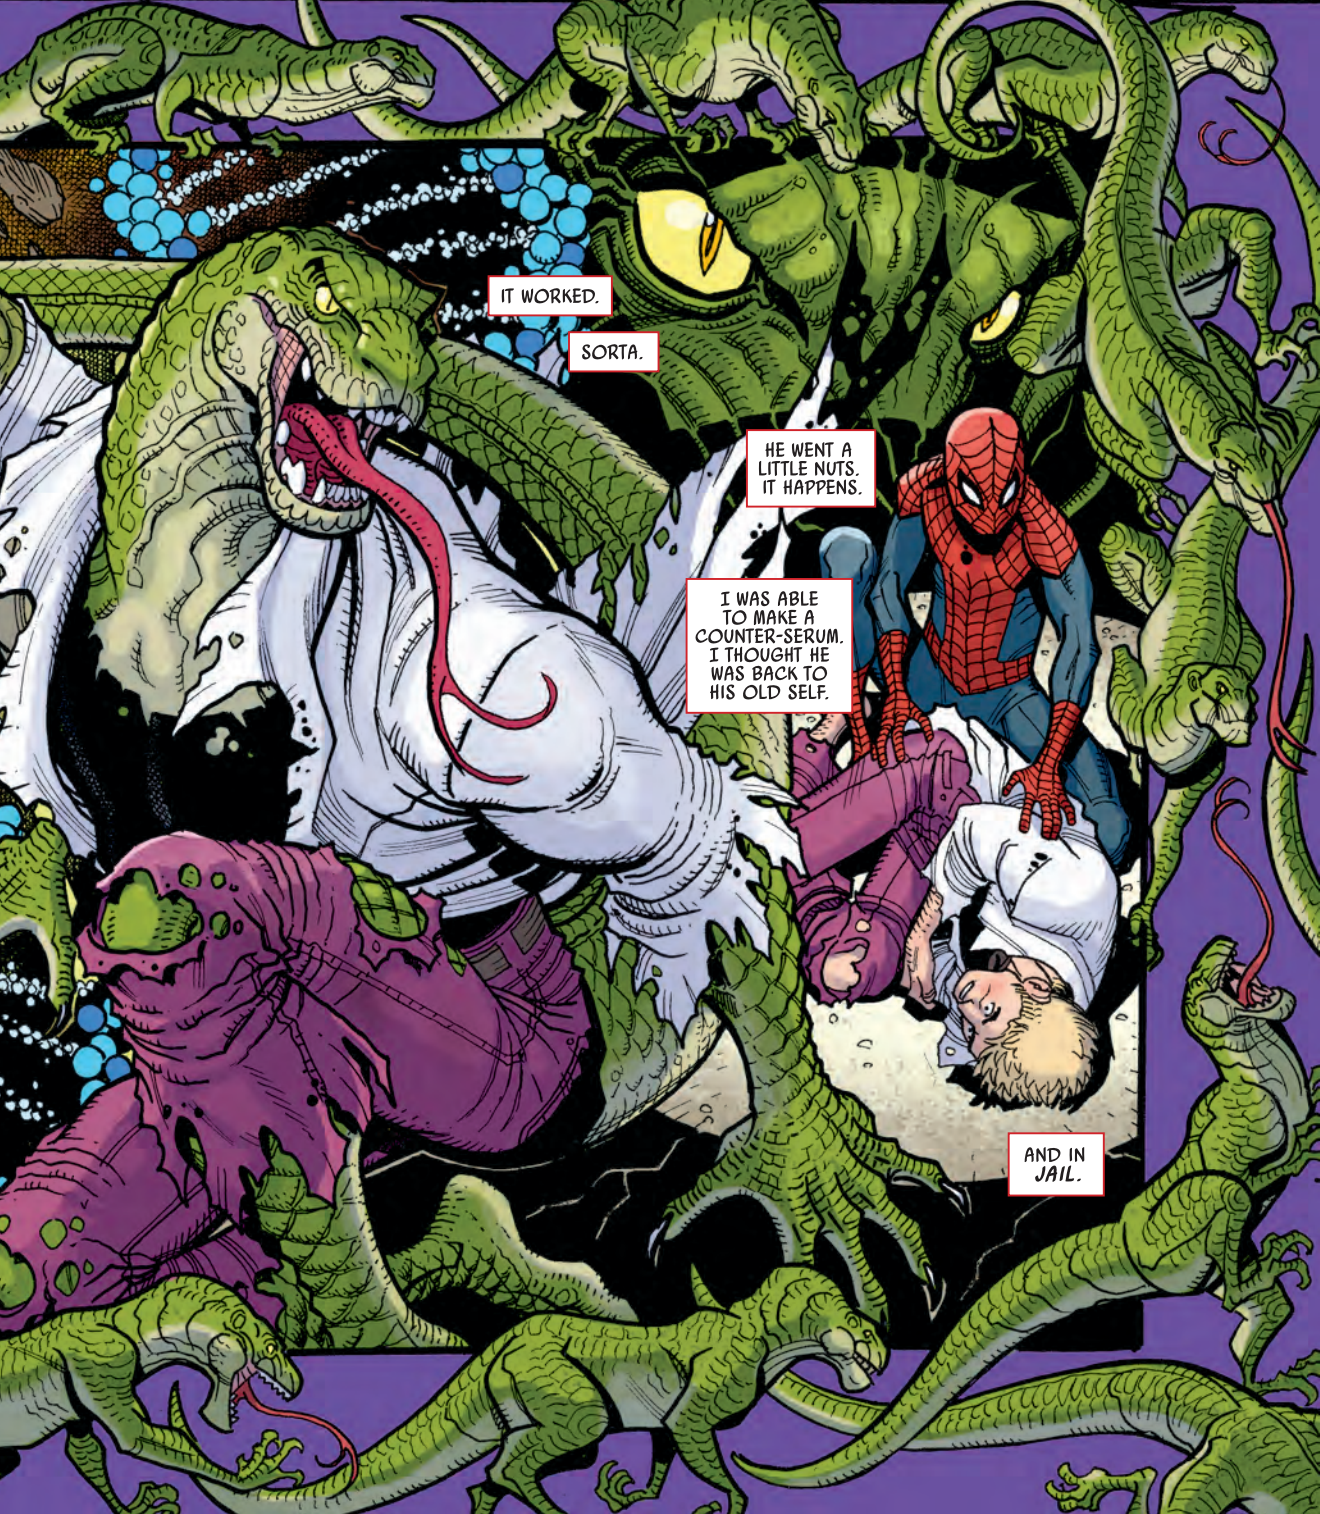

HE DEVELOPED A SERUM WITH LIZARD DNA TO ATTEMPT TO GROW BACK HIS ARM.

THEY LOOK LIKE THE HANDWORK OF ONE DR. CURT CONNORS.

BUT I DON'T SEE HIM ANYWHERE.

IT WORKED.

SORTA.

HE WENT A LITTLE NUTS. IT HAPPENS.

I WAS ABLE TO MAKE A COUNTER-SERUM. I THOUGHT HE WAS BACK TO HIS OLD SELF.

AND IN JAIL.
