WEARING THIS, I FEEL SO OFFICIAL NOW.

AND I'M SURPRISED BY HOW COMFORTABLE THEY ARE.

THOSE ARE MODELED AFTER THE ACTUAL FLIGHT SUITS WORN BY OUR ASTRONAUTS.

SO HOW DO WE LOOK?

LIKE YOU'RE READY TO BEGIN YOUR SPACE TRAINING!

THAT LOOKS LIKE A FANCY WAY TO TAKE A LOAD OFF.

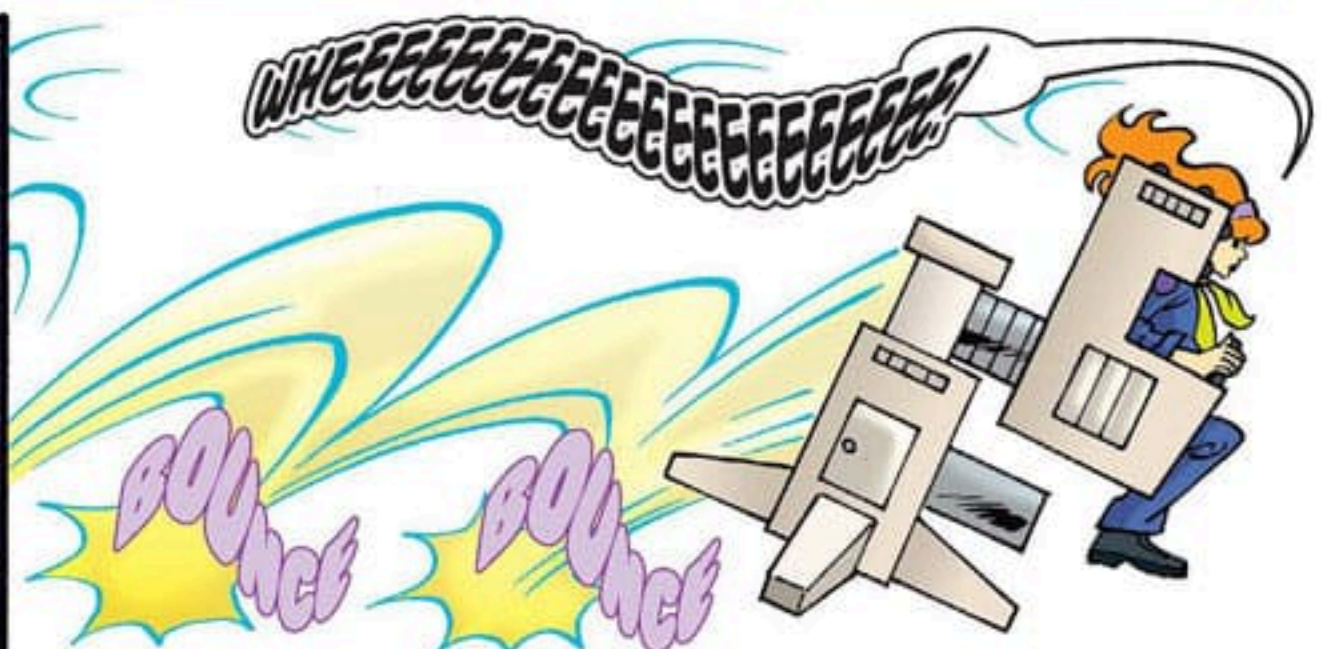

THAT'S ACTUALLY OUR GRAVITY CHAIR. IT'S USED TO SIMULATE THE LOW GRAVITY YOU WOULD EXPERIENCE ON THE MOON.

RHH-HUH!

NORMALLY I HAVE TO ASK FOR VOLUNTEERS.

READY TO GO! I'VE ALWAYS WANTED TO GO TO THE MOON.

WHEEEEEEEEEEEEEEEEEEEEEEEEEEE!

BOUNCE BOUNCE

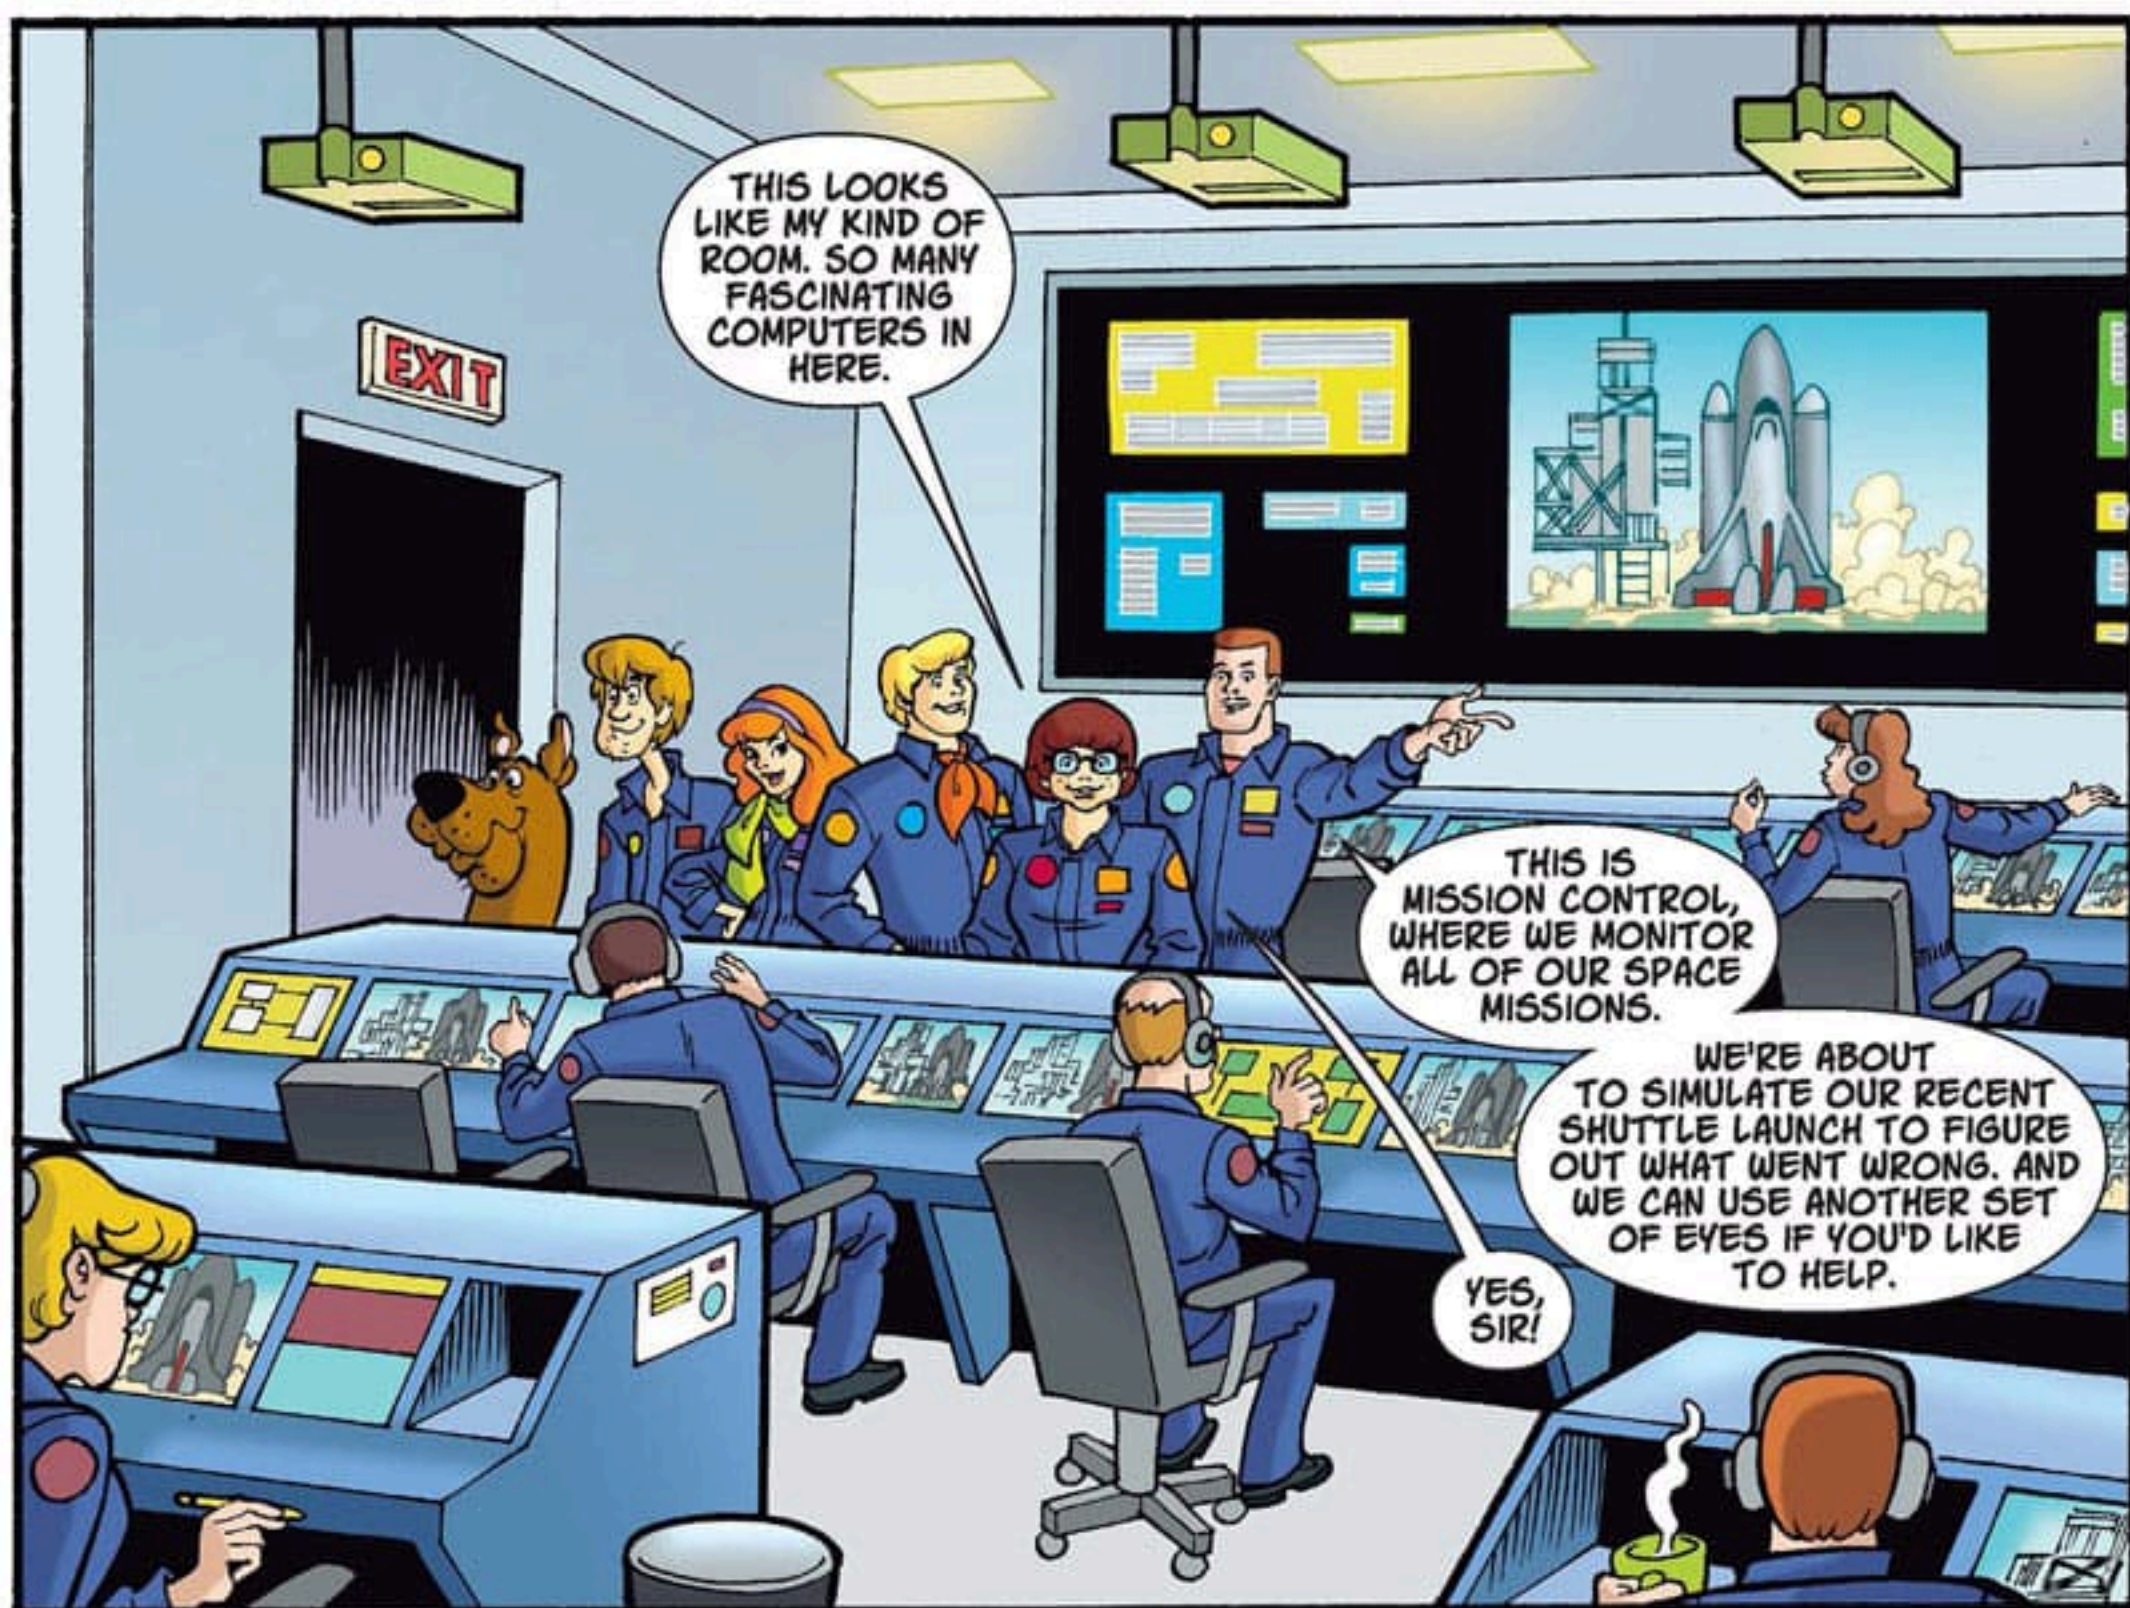

AAAHH! WHAT'S THAT?!

WHAT'S WRONG, DAPHNE?

I--I THOUGHT I SAW AN ALIEN OVER THERE!

NO ALIENS HERE, OR OUT IN SPACE FOR THAT MATTER. NONE THAT WE'VE BEEN ABLE TO FIND.

THIS LOOKS LIKE MY KIND OF ROOM. SO MANY FASCINATING COMPUTERS IN HERE.

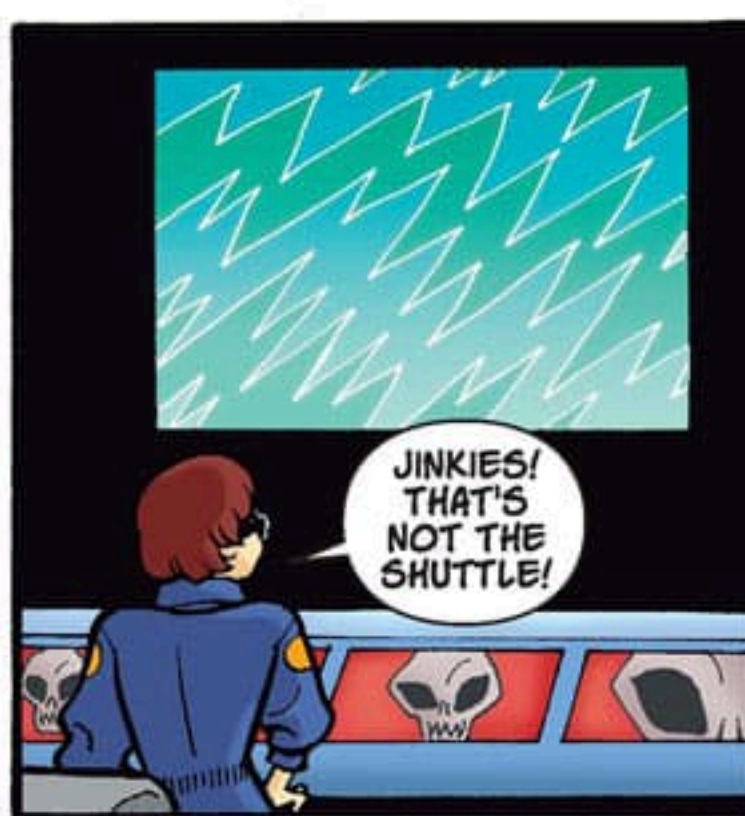

THIS IS MISSION CONTROL, WHERE WE MONITOR ALL OF OUR SPACE MISSIONS.

WE'RE ABOUT TO SIMULATE OUR RECENT SHUTTLE LAUNCH TO FIGURE OUT WHAT WENT WRONG. AND WE CAN USE ANOTHER SET OF EYES IF YOU'D LIKE TO HELP.

YES, SIR!

THRUSTERS ENGAGED. YOU'RE CLEAR FOR LIFTOFF. T-MINUS THREE... TWO... ONE...

JINKIES! THAT'S NOT THE SHUTTLE!

DID EVERYONE SEE THAT?

THAT'S THE ALIEN I SAW EARLIER!

AND THE SCARIEST SPACE SPECTER I'VE EVER SEEN. AND I'VE SEEN A WHOOLE LOT!

IT LOOKS LIKE WE'VE GOT A MYSTERY ON OUR HANDS AFTER ALL.
