In that time he's fought some deadly men and women: assassins, crime lords, killers and thieves. One of Daredevil's most dangerous adversaries is the assassin known as BULLSEYE.

With unshakable aim, expertise with all forms of weaponry, deadly fighting skills and an unpredictable moral compass, Bullseye used his talents to become one of the world's greatest (and highest paid) assassins. Often foiled by Daredevil, Bullseye has been lying low...but getting bored. For him taking jobs is never about the money...it's about the thrill of the kill. With the right target, there's no assignment too risky for...
