

APHRA

Book I, Part IV

It is a period of opportunity. In a galaxy oppressed by Imperial cruelty, there is little hope for the future. But for those operating on the fringes there is potential for profit.

Rogue archaeologist Aphra is back to retrieving rare artifacts while teamed with a pair of homicidal droids and Wookiee bounty hunter Black Krrsantan. Aphra's plans are suspended, however, when her estranged father gets her doctorate revoked as a method of blackmailing her to join his search for the mysterious Ordu Aspectu.

Now, Aphra and her father are on an isolated moon swarming with stormtroopers when they stumble upon an ancient temple. But when they unlock its secrets they only have mere seconds to escape Imperial notice....
