

**VALIANT**

When a car accident left her orphaned, Faith Herbert was raised by her loving grandmother and found comfort in comic books, science fiction movies, and other fantastic tales of superheroes. In her teens she would discover her fantasies were reality when it was revealed she was a psiot -- a human being born with the potential for incredible abilities. When the powers were activated, she discovered she had the ability to fly and a companion field that allowed her to carry objects with her mind. Faith then joined a group of fellow psiot called the Renegades. She's since left her Renegade family behind to take on the world's challenges on her own. She may have a lot to learn about the superhero game, but if there's one thing she's always had, it's...

# Faith

## The story so far...

Haunted by visions of her past, Faith has been struggling with facing her worst fears. Flamingo, her dear departed friend, and her own deceased parents have appeared hauntingly before her eyes.

Faith can't sleep - she can't eat - she can't focus on her work in LA or with the Renegades.

Who - or what - is behind the mysterious appearances of her ghostly parents, deceased double, and passed friend? Is it just stress from leading a double life - or is it something more sinister?

FAAAAAITH.

YOU DID THIS TO US.

OH. UM.

YIKES.

THEY'RE THERE!

AND MOVIE GHOSTS AREN'T DEAD PEOPLE GHOSTS!

PAIGE--

WHY DIDN'T YOU CALL THAT DR. MIRAGE CHICK?! DON'T ALL YOU PEOPLE KNOW EACH OTHER?!

YOU SEE ME EVERY DAY THOUGH.

SO WHAT?!

I THOUGHT YOU COULD TELL ME IF THIS IS WHAT I DESERVE.

WHAT?

WHY WOULD YOU SAY THAT?

BECAUSE... BECAUSE I'M STILL HERE.

"THEY ALL LEFT.  
BUT I STAYED."

"AND MAYBE IT WAS  
THEIR CHOICE."

"THEY DIED  
DOING WHAT THEY  
BELIEVED IN."

"BUT MAYBE THEY  
REGRET IT NOW, WHERE  
EVER THEY ARE."

"MAYBE I HAVEN'T  
LIVED UP TO WHAT THEY  
EXPECTED OF ME."

"MAYBE THEY THINK  
I WASN'T WORTH IT."
