

A full-page comic book illustration of Wonder Woman. She is shown from the waist up, leaning forward with her right arm extended towards the left. She has long, dark, wavy hair and is wearing her iconic costume: a blue and red bodysuit with a white star on the chest, a blue skirt with a white star, and a tiara with a red star. She has a determined expression. The background shows a wooden building with a window and some foliage. The lighting is dramatic, with strong highlights and shadows.

DIANA.

I FELL

GARBAGE.

JASON!

YOU ARE
ALIVE, THANK
THE GODS.

MORE
ALIVE THAN

TO BE.

WHERE IS

MANIAC ANYWAY?
DID SHE GET
AWAY?

SILVER SWAN,
AS SHE'S CALLING
HERSELF--I SAW
HER SLASH YOUR
THROAT...

...AND I LOST
MY MIND FOR
A MOMENT, I
GUESS.

I SLICED
HER WING
OFF--PART
OF IT--WHICH
CAUSED
SOME KIND
OF WEIRD
BLAST TO
EMIT FROM
HER...

...THAT
KNOCKED
ME OUT.

IF SHE
FELL,
LIKE WE
DID...

...IT WOULD HAVE BEEN
SOMEWHERE HERE,
BUT I DON'T SEE
HER.

SO WE
SHOULD
STAY
ALERT.

JASON,
IF YOU'RE
GOING
TO DO
THIS--BE A
HERO--

--YOU
SHOULD
ALWAYS
BE ALERT.
THAT'S THE
LIFE.

"...I WISH I
HAD STEVE
AROUND."

HEY,
STEVIE BOY! BET
YE WISH WE HAD
WONDER WOMAN
WITH US.

NO.

MAYBE.

JUST KEEP
FIGHTING.

GIVE THEM NO
QUARTER, FURIES!
GET THE RELIC!

FOR
DARKSEID!

NUH-UH,
SWEETHEART!
NO CHANCE.

I HAVE'NAE
THE PRETTY
SMILE OYER
WEE PRINCESS,
STEVIE BOY...

Antiquities Vault,
Basement, Topkapi Palace.

Turkey.

...BUT I
GUESS THIS
TIME IT'S UP TA
ME TA SAVE
YER ASS.

YEAH,
I'LL ADMIT
IT...

...HAVING
DIANA HERE
WOULD BE
NICE RIGHT
NOW.

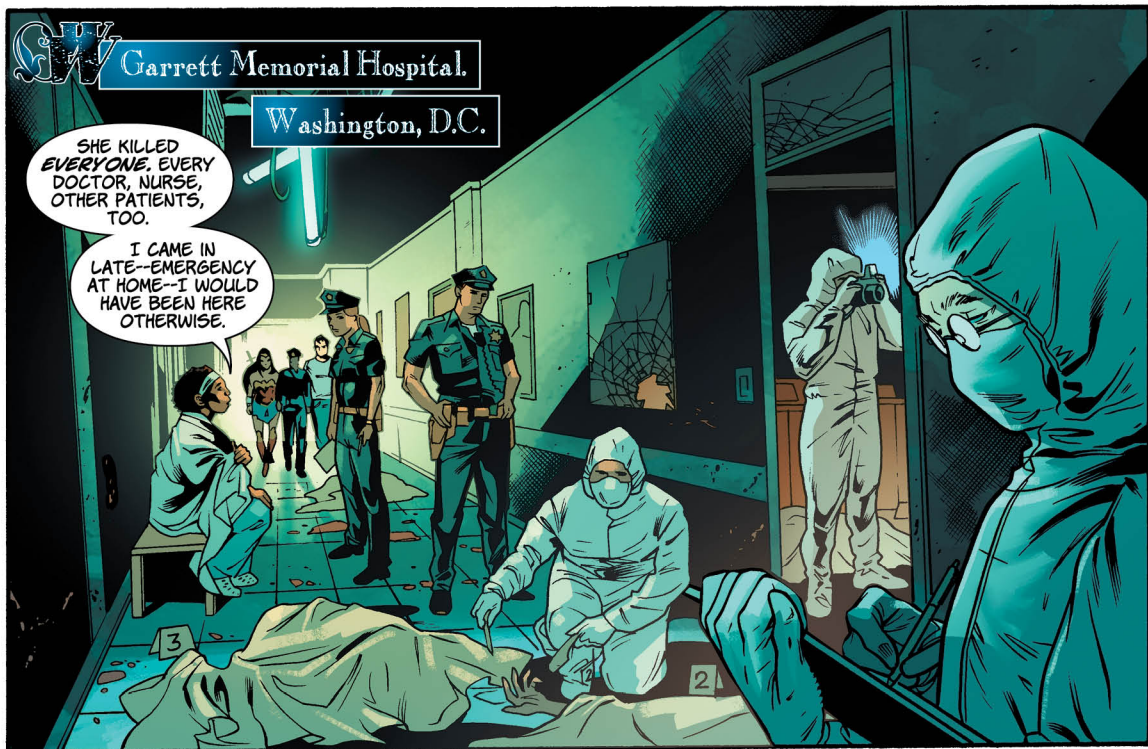

Garrett Memorial Hospital.

Washington, D.C.

SHE KILLED EVERYONE. EVERY DOCTOR, NURSE, OTHER PATIENTS, TOO.

I CAME IN LATE--EMERGENCY AT HOME--I WOULD HAVE BEEN HERE OTHERWISE.

HOSPITAL BECAME A SLAUGHTERHOUSE IN MINUTES.

YOU'RE WELCOME TO SEE THE SECURITY-CAM FOOTAGE, BUT I WOULDN'T ADVISE IT, UNLESS YOUR STOMACH'S WAY STRONGER THAN MINE.

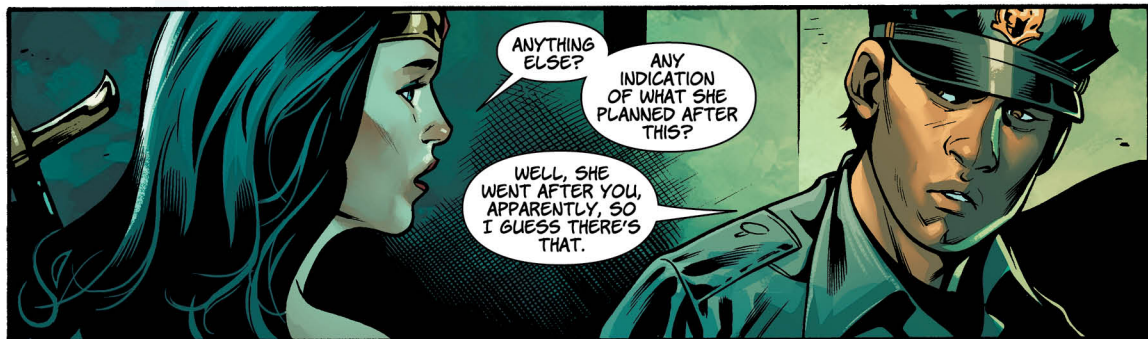

I'LL PASS, THANKS.

ANYTHING ELSE?

ANY INDICATION OF WHAT SHE PLANNED AFTER THIS?

WELL, SHE WENT AFTER YOU, APPARENTLY, SO I GUESS THERE'S THAT.

ONE WEIRD THING THOUGH, SHE WENT TO THE HOSPITAL COMPUTERS AND CUT HER ARM, BLED INTO THEM.

NO MORE THAN A FEW DROPS, BUT WHATEVER'S IN HER BLOOD WENT TO WORK.

NANITES-- MICROSCOPIC. SO WHAT DID THAT ACCOMPLISH?
