When we last saw Squirrel Girl, she was fighting the Silver Surfer--wielder of the Power Cosmic and former herald of Galactus--who she incorrectly thinks is the imposter who's been robbing entire planets!

ZAPOW

It is not going well...

Listen, *bud*, I don't know where you're getting that firepower, but if you think it'll stop *me*, you've--

Again, I don't know who any of you are. I, the *Silver Surfer*, am simply--

STOP WITH THE LIES, SPACE JERK!!

Loki, the Silver Surfer could *kill* her! He has the *Power Cosmic!* Stop this! *Do something!!*

Chhtt!

I'm on it!

By the gibbering madness of Ulyaoth!!

Loki... your spell is going to *help* Squirrel Girl, yes?

Yes, *obviously!* What kind of monster do you take me for??

I know. I'm sorry. Just-- thought I should check.

Squirrel Girl!

Drax the Destroyer will defend you!!

YES!! THIS IS WHAT FRIENDSHIP LOOKS LIKE TO DRAAAAAAAX!

Cancel that, Uly.

By the sensible sagesness of Sal-Tah-Goth!

Okay, Surfer-let's see you beat up the real Squirrel Girl and Drax...

...when they're surrounded by magic duplicates!!

Did something similar against the Dread Dormammu earlier today. Worked great.

I'm Sorcerer Supreme now, by the way. Not sure if I mentioned that. No big deal.

Clearly.

I should've known *you'd* be involved in this, Loki. But no matter--the Vision Cosmic easily reveals the *real* entities!

Argh!

Gah! Friendship can be painful at times but I believe it's eventually worth it!!

I appreciate the effort, Loki, but this isn't working. Hold Mew. I'm gonna go tell Squirrel Girl that she's fighting the wrong guy myself.

Nancy, you can't run into that battle! You'll be killed!

Nah.

You're *so* going to cover me.

Nancy!!

Okay. Figure this out, Loki. Figure this out.

Surfer can see through your illusions, so no luck there...

...but wait a minute. Waaaaaaait a minute.

Why am I creating illusions anyway?

I'm Sorcerer Supreme now, Mew! I can just summon people to fight for me! Actual, real people!

That's the answer, you lovable cat!

Loki Laufeyson's got your back, Nancy!!

Also your back too, Tippy-Toe the squirrel! You get overflow from my affection for Nancy!

Squirrel Girl! You need to stand down! It's actually the real Silver Surfer!

It's no good, Nancy! She can't hear us!

Dang it! You'd think someone who wears a second set of ears would listen a little better!

Rocket Raccoon?!

I am... Groot?

No idea, Groot. Hey, tall one! Who are you, why are we running, where is our ship...

...and why do I feel magically compelled to aggressively protect you?

Thanks, Loki!!

Oh, that was just a warm-up. By the summoning wisps of Wun'ulath, I call upon the most powerful cosmic beings in the universe!

And I further call on them to appear in sequence, sorted from least to most powerful!

I know you can do it, Wun'ulath!!

Elsewhere: Wun'ulath is rolling his eyes at the thought of all the work that'll be required to fulfill Loki's instructions, but then receives Loki's encouragement and knows that if he believes in himself he can do anything!!

Meet your new protectors, Nancy! Up next: **Cosmo the Spacedog!** He's a telepathic Soviet space explorer!

Adorable.

Thanks, Nancy! I try!

POP

Beta Ray Bill: the Thor that looks kinda like a horse!

POP

Greetings.

Nice!

Hocky Hoof Hank: the Thor that's literally an actual horse!

POP

<HORSE WHINNY>

This one is new to me.

CLIPPITY CLOP CLIPPITY CLOP

And Ego the Living Planet!

Up top, Nance.

KA-POP

HELLO

This is the first on-page appearance of Hocky Hoof Hank, but I hereby enshrine in canon that he was always around in other comics, just off-panel. That sound you hear is all your old comics suddenly getting way more valuable now that the delightful Hocky Hoof Hank technically guest stars in all of them!!

And also, miscellaneous!

Squirrel Girl! Listen to me!

What? I can't hear you, Nancy! We're too far apart!

Summoning more of your minions to fight me, Loki? Your tricks are predictable.

And their ending...

...is just as predictable.

VERY UPSET HORSE WHINNY

BOOM POOM

Hocky Hoof Hark is a beautiful perfect Thor horse ("Thorse," if you will) and he does not deserve this. He deserves nothing but apple treats and gentle brushing.

Here is a short *but true* Howard the Duck story: When Howard lands back on Earth in NYC, he finds it's actually nine days after he was first teleported away by Loki. The Silver Surfer literally knocked him into *next week*, and now all his bills are overdue! *He's so mad*, the end!
