A few days previously...

I've been scared of most of the... odd business...we've encountered at camp. This feeling isn't anything new for me!

Y'know, fear doesn't have to be a bad thing. It's an instinct meant to keep us safe--

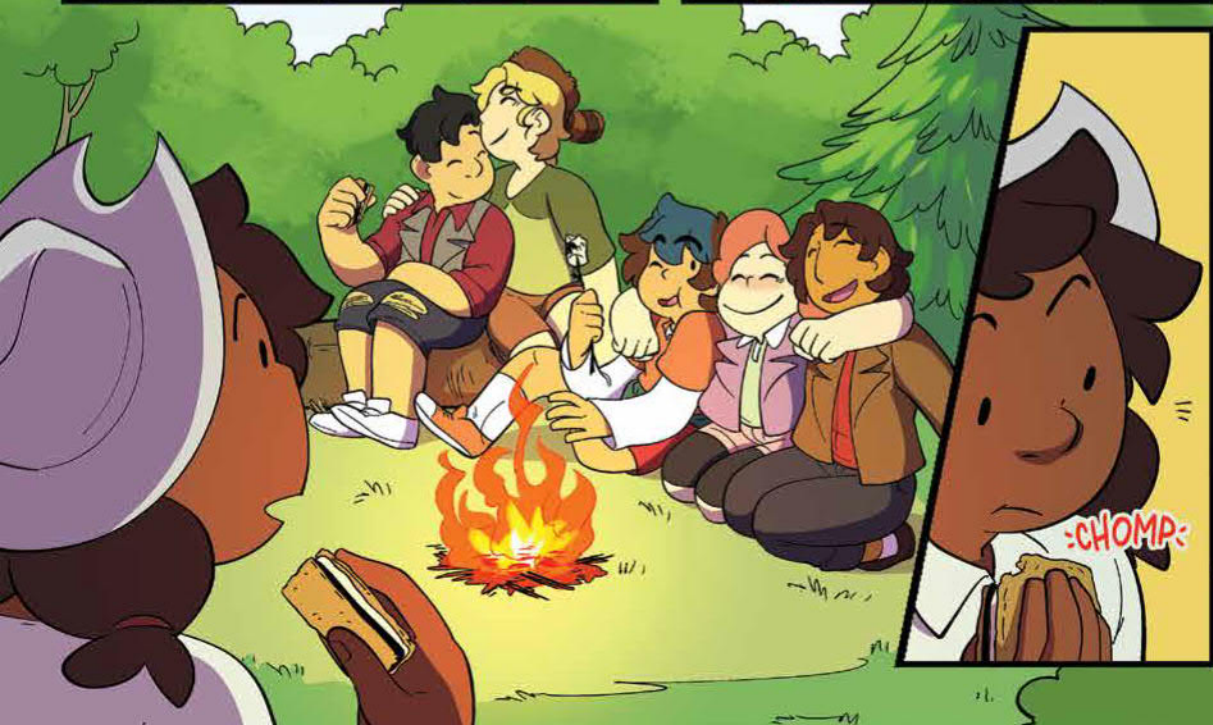

--like being afraid of the water when you can't swim!

But when we have to conquer a fear...

...I've found it's easier to be brave for the sake of others.

:CHOMP:

What the devil is this?! It's delicious!

Back to the present...

PEANUT CAN TALK?!?!

Help Emmy...

Where IS she?
What happened?

SNORT!
