SEASON 10

"ELDERS" PART 3

Previously on *The X-Files*...

For years, FBI agents Fox Mulder and Dana Scully toiled in the X-Files Unit, a one-office division of the Bureau dealing with cases deemed unsolvable and related to unexplained phenomena. Eventually, both agents left the FBI and began a new life together in peaceful anonymity. However, recent events prompted them to return to the Bureau and the X-Files.

After an attempt on his life discredited his work with the FBI, Mulder has been kidnapped by a new iteration of the Syndicate and spirited away to an undisclosed base where their leader, a grown-up Gibson Praise, begins to unveil his plans to his former friend. Meanwhile, Scully is perilously close to joining forces with the Cigarette Smoking Man, who may hold the key to rescuing Mulder...
