THE PRIMATE DIRECTIVE

Captain James T. Kirk and the crew of the *U.S.S. Enterprise* have pursued Klingon warships through an interdimensional portal, finding themselves on a parallel Earth where mankind has become an inferior species and apes rule the planet! Searching for Klingon interference, they've encountered Colonel George Taylor, a timelost astronaut from 20th-century Earth who's hell-bent for vengeance for what's become of humanity. Kirk and Taylor have come to an uneasy truce, and Taylor has agreed to help stop the Klingons from setting off a civil war among the Apes. When Taylor and the *Enterprise* crew search the Klingons' base of operations, they discover evidence of Klingon Commander Kor's next move: assassinating gorilla General Ursus to clear the way for their hand-picked puppet, General Marius, to conquer Ape City...
