

"You need to ...  
Injiny-seenu ... get  
your ... jump on."

Fuck you, you troll! You're a disgrace to this mission!

I'm a highly sought-after goddamn bio-engineer!

Now give me back Super Ghost Brothers you reckless freak or I'll—

If you don't leave Keith alone...

...every time you say a number out loud I will stab you in the leg, Hippocratic Oath be damned.

Had DOCTORS ORDERS, DICKWAD.

And if you keep bawling like...

...I'll send you to your room on the other side of the airlock.

Wow, unnecessary. And, frankly, a little victim-blame-y if you ask—

**BIDLEBEEP**

Can everyone please meet me on the bridge? There's been a situation.
