

I-SEEC ENERGY PROCESSING BAY 13 • WEST ENDCAP

"Take care"?

What? I'm a nice old lady.

INTERVIEW ROOM 1 • MCPD HOMICIDE

Are you sure you have enough on Jurado?

You saw how the media is watching this one. The DA wants me walking into court with solid evidence, or better yet, a confession. Not a load of circumstantial crap.

Sure, let me --

Hey, hold that thought. Bianca says she's found something that'll help. Come on, Ralph.

She can't come down here? You're supposed to be interrogating your suspect!

You said yourself, we need all the evidence we can get. Besides, it won't hurt to let Felix stew for a while longer.

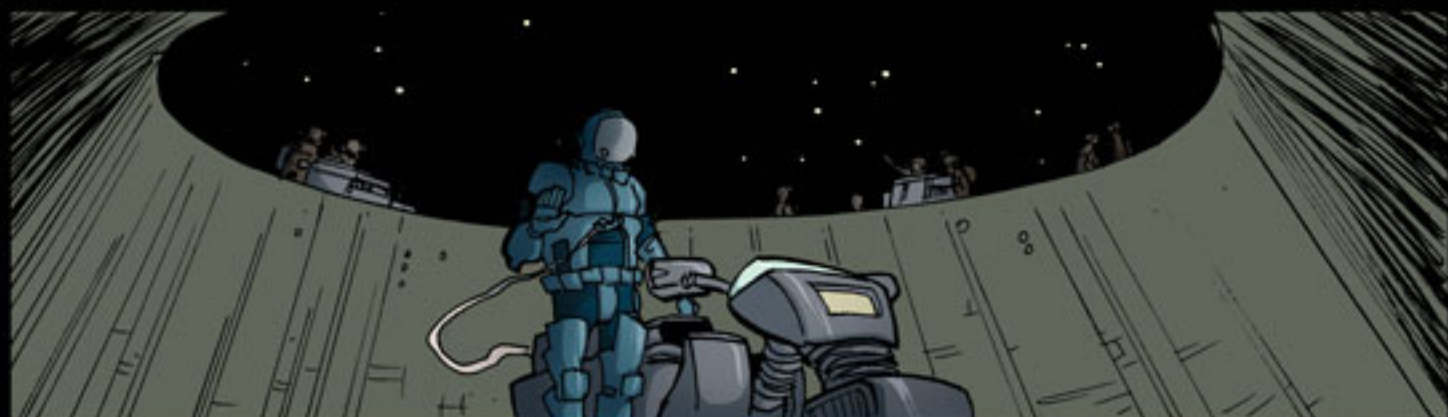

Let Klem work her way, Latoyah. You know we all want the same thing here.

Sometimes, I wonder.

...Oh, yeah.

Toolbox looks brand new. What happened to the old one?

Cathy knew better than to go out in a meteoroid burst. And she wouldn't jeopardize the league just to make a few bucks with drugs.

Come to daddy.

Marcus got a new line of product. Word is he's low right now, though.

Child support for a wife and five kids don't come cheap.

She died of asphyxiation, but not because she was exposed to vacuum.

That's my e-cig mbing kit, you moron!

You didn't meet Cathy at a gridlocking party. It was an FLF meeting!
