

Ah!

Oh man!  
Come on!

Where--  
where's my  
father?!

Hello?!

I want to  
see my father!  
And Ganke!  
The kid!

**I want  
to see them  
right now!!!**

**AGH!**

I think  
you can see,  
Mr. Morales...

...You are not in any position to be making demands.

If you want your father and little friend to live through the day, you will cooperate completely.

**DOCTOR  
DOOM!**
