CHANDLER

ABIGAIL BULLION just arrived in Rainbow Ridge, the western town built around the Big Thunder Mountain gold mine owned by her father, **BARNABAS T. BULLION**.

Now that her mother has passed, Abby's gone west to live with her father full-time. But business isn't so great at Big Thunder. Bullion's top foreman, name of **WILLIKERS**, has been pushing to dig deeper into the mine, even while the miners, including the outspoken **CHANDLER**, are urging to ease up digging and listen to the spirit of the mountain, which he claims is the cause of the increase in mining accidents.

Business aside, Bullion always thought this lifestyle was too dangerous for Abby. And he may be right—as Abby was caught in a cave-in after sneaking into the Big Thunder mine, barely surviving thanks to the assistance of a mysterious masked man!
