

PREVIOUSLY:

After years of maintaining a secret identity to protect those he loves, Matt Murdock has come clean to the world: He is Daredevil. His heightened senses, including 360-degree radar sense, are now a matter of public record.

In order to protect his best friend Foggy Nelson from Daredevil's enemies, Matt very publicly faked Foggy's death. They then moved to San Francisco, where Matt opened a new law practice with his new girlfriend, Kirsten McDuffie.

With his identity out in the open, Matt Murdock recently cast off his cowl and fully embraced his role as The Man Without Fear. While chasing a rumor of The Owl's escape, Matt not only discovered that his old foe has a daughter, Jubula Pride, with abilities like her father, but that Owlsley was kidnapped by another villain! Matt agreed to help Jubula find her father, if only to keep her from killing during her own investigations. Following a lead to Alcatraz Island, the two found the Owl and his captor
THE SHROUD!

The girl's voice
vanishes in
mid-scream.

As does
everything
else.

Weightless.

Literally
senseless.

And
familiar.

Captured by the
living shadows
of the *Shroud*,
someone I thought
was on *my* side.

I walked right
into his trap.

Luckily
for *me*--

GET MY
LEATHER
S--

--I didn't
come in
alone.

If Shroud was lying in
wait for *Matt Murdock*,
using the captive *Leland*
Owlsley as bait--

--he hadn't
counted on my
bringing *Owlsley's*
daughter
with me.

--HAVE
YOU DONE
TO HIM?

For all his mystic
abilities, Shroud's
not much of a
multitasker.

As *Jubula Pride*
rips *in to* Shroud,
she shatters his
focus--

--and I can
free myself.
