"OLD GODS' FAVORS"

I can see the headlines now.

"Werewolves by Night."

If *that's* the case, Detective Flint...

...it's a good thing you contacted me.

I know werewolves.

Right.

That kind of *weird* is the reason I asked...

...at the risk of losing my badge...

...again...

...for you to consult on this.

Your secret's safe with me.

Look at this poor bastard.

His haircut probably cost more than my suit.

It would seem the only thing the victims have in common is money.

That should make most people feel safe, at least.

True.

But... even if you hadn't contacted me...

...my presence here would have been demanded.

As you can see, greater powers have taken an interest in this case.

Why the confusion, Detective?

Can't you see?

Even the gods call in favors from time to time.

Whatever it is you want me to see...

...I think it's outside my pay grade.

It's the burden of any priest...

...to inspire faith in what cannot be seen...

"...when *only* faith can open one's eyes."

Wha? Where'd he go?
