I can't understand why you'd choose to spend the summer HERE of all places...

...ESPECIALLY when you were a shoe-in for that robotics program at CMU.

C'mon dad, I'd rather spend the summer with April. Can't I just have ONE MORE YEAR where I don't have to worry about enriching my future?

I just want to see you continue to apply yourself. You've got so much potential.

I mean, you could really take the world by storm...if you keep your life plan on track...

Except we're not pressuring her, ARE WE? We will support her NO MATTER WHAT she wants to do.

OF COURSE we will and I'm NOT pressuring I'm just saying SHE'S SO SMART...

Will you two calm down?
GEEZ.

I know this is hard for the two of you to believe since you both graduated college at like 14, but I'm not giving anything up. This is **SUMMER CAMP**. It is a fun thing for kids to do. And I am a kid!

I'll be back at the end of the summer and THEN you can push me to pursue a rocket science internship program with applicants twice my age, okay?

You're right, of course. **BECAUSE YOU'RE SO SMART.** How did we get such a smart daughter?

DAAAAAAAD.

Can you drop me here?

It's a mile still to camp!

I don't want everyone to see me ride up in **JAMES BOND'S** car. They'll look at me funny for the rest of camp.

I just want to be a **NORMAL KID**. Just for one more summer, okay?
