

**BLUCHER CITY,
SANTEE RESERVATION
HIGH SCHOOL.
NIGHT.**

**I DON'T
UNDERSTAND.**

**THERE WASN'T SUPPOSED
TO BE A FIRE HERE. I
DIDN'T SET A FIRE HERE.**

**NO ONE
ELSE WAS
SUPPOSED
TO DIE.**

**THREE TO BURN
AND ONE TO GO
TO JAIL. THAT
WAS THE PLAN.**

**HELLO,
ROSE OF
FIRE.**

**SPARKY CLUB:
PART 6 OF 6**

HUMAN

**SI SPENCER: WRITER
MAX DUNBAR: PENCILLER
ANDE PARKS: INKER
MICK FILARDE: COLORIST
TRAVIS LANHAM: LETTERER
TULA LOTAY: COVER
TOM MULLER: LOGO DESIGN
MOLLY MARAH: ASSISTANT EDITOR
JAMIE S. RICH: EDITOR
SHELLY BOND: EXECUTIVE EDITOR
SLASH & BURN IS CREATED BY
SPENCER, DUNBAR, & PARKS**

**THERE WAS A PLAN.
WHAT HAPPENED
TO THE PLAN?**

HOW'S DAK GOING TO TAKE THE BLAME NOW? AND HOW DID HE BURN IN THE FIRST PLACE?

MATCHSTICK MAN WOULD WANT ME TO SAVE ROSHEEN. HE ALWAYS WANTS TO SAVE ROSHEEN.

HAVE TO TOUCH HER BUT I DON'T LIKE TO TOUCH. DON'T LIKE TO BE TOUCHED.

I'M GOING TO HAVE TO GIVE YOU CPR NOW.

I WON'T LIKE IT.

BUT I ALWAYS WISHED I COULD TOUCH HER IF I DIDN'T NOT LIKE TO TOUCH.

SHOULD CHECK THE AIRWAYS, BUT I CAN'T PUT MY HAND IN HER MOUTH. IT ISN'T NICE, AND IT ISN'T CLEAN.

THIS ISN'T HOW YOU'RE SUPPOSED TO DO CPR.

IT FEELS LIKE SHE'S KISSING ME. I THINK, BUT I WOULDN'T KNOW.

I DON'T THINK SHE WAS KISSING ME.

HELLO, PINKER.

HER FACE IS EXACTLY LIKE THE ANGRY PAGE IN MY HUMAN-EMOTIONS BOOK.

HELLO, ROSHEEN.
WHAT HAPPENED TO DAK?

MINE MUST LOOK LIKE THE CONFUSED PAGE.

SMELLS LIKE PEAR DROPS, ACETONE, (CN3)2CO.

DID YOU USE PAINT THINNER?

I DIDN'T USE ANYTHING.

HE WASN'T SUPPOSED TO DIE. THAT'S NOT IN THE PLAN.

THIS WAS THE PLAN. AIR FRESHENER, STYROFOAM, PROPANE.

EVEN THE MATCHBOOK, YOU WERE SUPPOSED TO FIND THEM.
I DON'T UNDERSTAND HOW HE GOT CAUGHT ON FIRE.

HE TURNED ON THE FAUCET.

SMELL THAT?

HYDROGEN SULFIDE, MRS. THEY SAY IT SMELLS LIKE ROTTEN EGGS, BUT I'VE NEVER SMELLED A ROTTEN EGG. WHO HAS?

I'VE READ ABOUT GAS IN THE PLUMBING.

SOMETIMES IT COMES OUT ALIGHT.

THE NAKED FLAME IGNITES THE ACETONE VAPOR AND CAUSES A BLOWBACK WITH THE GAS IN THE STANDPIPE.

METHANE CH_4 , HYDROGEN H_2 , CARBON MONOXIDE CO , CARBON DIOXIDE CO_2 , NITROGEN N_2 , ETHYLENE C_2H_4 .

FRACKING GAS.
