

THE WICKED + THE DIVINE

Every ninety years twelve gods return as young people. They are loved. They are hated. In two years, they are all dead. It's happening now. It's happening again.

Unknown to all, Ananke revealed fangirl Laura to be a thirteenth god, Persephone, before killing her family and presumably Laura too. Except now a gig has been booked in London, with a "Persephone" set to perform...

Life goes on.

Persephone. Seemingly ascended fangirl Laura. Seemingly killed by Ananke.

Ananke. Immortal god of destiny. The Pantheon's warden. Totally dodgy.

THE PANTHEON

Lucifer. Underworld god. Framed for murder. Killed when escaping prison.

Woden. god, master of Valkyries. Ananke's secret semi-willing assistant.

Baphomet. Underworld god. Wanted criminal. The Morrigan's lover. Goth. Secret geek.

Sakhmet. Feline war god. Emotionally blank hedonist. Ate her dad. No, really.

The Morrigan. Triple-formed underworld god. Imprisoned. Baphomet's lover. Also geeky.

Baal. Storm god. Ex-lover of Inanna and Laura. Thrashed Morrigan when capturing her.

Dionysus. Hivemind dancefloor god. Doesn't sleep. Loyal to The Morrigan. Hates Woden.

Amaterasu. Sun god with sunny disposition. Mostly. Friends with everyone. Almost.

The Norns. Cynical journo Cassandra and crew turned triple soothsaying-gods.

Minerva. God of wisdom. Twelve, going on thirteen with increasing speed. Has owl. Yes.

Inanna. Queen of heaven. Ex-lover of Baal. Baphomet is wanted for his murder.

Tara. God knows what god. Secretly killed by Ananke in assisted suicide.
