

The entire galaxy is a mess. Warring empires and cosmic terrorists plague every corner. Someone has to rise above it all and fight for those who have no one to fight for them. A group of misfits--*Drax the Destroyer*, *Gamora*, *Rocket Raccoon*, *Groot*, and *Flash Thompson*, a.k.a. *Venom*--joined together under the leadership of *Peter Quill*, *Star-Lord*. With new members *Kitty Pryde* and *Ben Grimm*, a.k.a. *The Thing*, they serve a higher cause as the...

GUARDIANS OF THE GALAXY

Hala, the last surviving Accuser of the Kree Empire, held Peter Quill responsible for the destruction of her home planet and attacked Spartax as revenge. All eight Guardians of the Galaxy managed to defeat her, but not before she demolished the capital. In response, the Spartax government ousted Peter Quill as king.

So, he has returned as the leader of his former team just in time to split the group into smaller units to perform separate missions. With the Guardians reunited, spirits are high, but there are secret forces at work...
