

This is crazy! All I wanted to do was find a missing cat for a client, but *that* took me to *Girl Squirrel* here who was *harboring* a cat who looked *just like* the cat I was after! We fought, which is what *everyone on this planet does when they meet*, and then Tom Selleck back there *ducknaps* me!

And of course, instead of *going to the police*, *Girl Squirrel* decides to just follow us here and get *kidnapped* as well! And *who* is kidnapping us?? Oh, a *crazy cosplay billionaire* who wants to *hunt us for sport*! So here we are, in the *forest*, with other legal-gray-area animal-people, waiting to be *murdered*!

gun gun
why does
rocket have
no gun

Oh! But don't worry! *Mustache Man* had a *change of heart* and so now he's being hunted as well! So we've got a *crazy flip-flopper* on our side now!*

Um, we *know* all of this, *Howard*. You're not helping things at *all*. Is that your super-power? Not helping things? 'Cause that is *unhelpful*!

Gah!

RYAN&CHIP&ERICA&JOE PRESENT...
**THE 2016 SQUIRREL GIRL/HOWARD THE DUCK
"ANIMAL HOUSE" CROSSOVER PART TWO:
FIGHT OR FLIGHT OR FLIGHTFIGHT!**

THUD

*Unbeatable Squirrel Girl Vol. 2, #6, duh.

FOR "ANIMAL HOUSE" PART ONE: HOWARD IS THE BEST, SEE THE UNBEATABLE SQUIRREL GIRL VOL. 2, #6!

Grah!
Nobody gets the jump
on *Weapon II*, bud!
Nobody!

Whoa there, little guy! Let's see what this floating head has to say before you go, uh, poking it.

grrrr...
Attention,
my menagerie!

So, Ryan does these weird "alt text" things in *Squirrel Girl* to prove that they're not just about "mainstream text," I guess. Cool stuff, guys! And if you're here From *Squirrel Girl*, you should know normally *chip* doesn't do this text at the bottom, so if you look at the other issues, you'll just be disappointed!! Okay bye

Wait... who are you again...? **Weapon II Girl?**

I'm the **Unbeatable Squirrel Girl!** So don't worry, pal! I can't be beat: it's in my name!

The rules are simple--

It is no use, girl of squirrels. We are done.

Kraven! I've never heard you like this! You're usually so... dangerously confident?

--if you make it to the southern gate, I'll let you go. But, between you and me?--

I have gone from hunter...to hunted. It is too much humiliation. Hunters are relentless. Prey is prey. We will be killed in no time.

What? No way! How many times have you killed Spider-Man? None! Just because someone's hunting doesn't mean they'll be good at it!

You...are not helping my "dangerous confidence."

Also, I killed Spider-Man once, for the record.

--y'all are going down, in 10...9...

...8...7... 6...

Don't you see? As the **one** guy here who's spent his life **hunting**, you can get inside the head of this Cosplay Billionaire! You're the **perfect** one to lead us to safety!

I...is this what you truly believe? Can I--

Absolutely not.

Weapon II was in the same program as the old *Wolverine*, who was *Weapon X!* You probably thought that was just an "X" and not a "10"! Funny story: Professor Xavier actually named the X-Men "*Ten-Men*," because he wanted ten guys on the team, but nobody got it so he just let people believe it was X-Men.

Now that's a tenhilarating addition to Marvel canon!

Don't call yourself *Beast* if you're super smart and want people to listen to you! Take a page from *Mr. Fantastic*. Who wouldn't listen to a *Mr. Fantastic*? Even *Dr. Doom* knew he should let people know he's a *doctor* in his name.

Thought you could ever only have a character say "...we're out of time" in a time travel story? *Think again.*

Ha ha ha!
Well, looks to me
like we've got sittin'
ducks *and* other critters!
This'll be as easy as
slidin' off a greasy log
backwards!

Ngh!
Madam! Cease
this! My name is
Dr. Henry McCoy,
and--

KR-KRAK

FWALL

Come on,
guys! We
need to band
together to
beat--

--a hasty
retreat!

The
man-duck
is correct!
We need to
regroup!
